SUBJECT**:** Notification of Unauthorized Child Care in Government-Owned and Government-Leased Army Family Housing (AFH) and Unaccompanied Personnel Housing (UPH)

To Whom It May Concern:

This is to inform you that the Child and Youth Services (CYS) office received a report that you are providing unauthorized childcare in your quarters in the USAG Italy Vicenza Military Community's Area of Responsibility. According to Army Regulation 608-10 your housing privileges may be terminated if you continue to provide more than ten (10) hours of care in your quarters to unrelated individuals per week on a regular basis. This notification of unauthorized childcare serves as your official notice to cease any childcare you are currently providing. If you desire to continue providing childcare in your home, you must become certified as a Family Child Care (FCC) provider through the USAG Italy CYS program.

To become a certified FCC provider, you must complete a local background check; agree to have inspections conducted by the Fire, Safety and Preventive Medicine Offices; as well as attend a minimum of thirty-eight (38) hours of training. The training includes child abuse identification and prevention, first aid and Cardio-Pulmonary Resuscitation (CPR) training.

The USAG Italy CYS Parent Central Services office is located in Building 108, Caserma Ederle. You may contact the CYS Outreach Services Director should you need further information at +39 0444-71-5820.

Sincerely,
