

PERMISSION FOR THE BURNING OF A FIRE PIT/OPEN FLAME

This permit authorizes the requestor and/or representative to operate a fire pit/open flame at the following location:

Address:

Email:

Valid: 1 January 2021 – 31 December 2021

Permit Number:

The following safeguards are mandatory. You are responsible at all times, to include any resulting damage(s) of property as a result of the fire.

1. This permit must be clearly posted on the front of the residence/barracks/building in plain view.
2. The requestor and/or his/her designated representative must be present and physically at the fire pit/open flame at all times. Children are required to be strictly supervised at all times.
3. Adequate extinguishing agent(s) must be present and immediately available. (Bucket(s) of water, sand or as a minimum, a serviceable 10# ABC fire extinguisher).
4. Area must be clear of all leaves, branches, wood or other combustibles for at least 36" from fire pit/open flame. Fire pit/open flame must be at least 15' from a building and will not be on any deck or balcony.
5. Before using, call the Fire Dispatch Office at 353-9170 to activate/deactivate this permit each instance.
6. Ensure that the fire pit/open flame is completely out. Do not place hot ashes inside of combustible boxes or bags.
7. The burning of trash in the fire pit/open flame is strictly prohibited.
8. Highly flammable/combustible liquids will not be used to start the fire.
9. Dial 9-1-1 for an emergency.
10. Occupant must follow USAG Policy #52. Signed by Garrison Commander.
