Legionella Testing | June 2026

What? Directorate of Public Works (DPW) conducted Legionella sampling of bathroom showers at Army Family Housing (AFH) during the first half of June 2026.

Why? German Final Governing Standards (FGS) require the annual monitoring of bathroom showers for legionella bacteria at locations throughout the Garrison

How long? Sampling at your home takes about 10 minutes.

https://go.mil/AnsbachLegionellaSafety

What you need to do: ensure someone is home to allow access. Call DPW if you are unable to be home for the appointment. Questions or concerns: call CIV 09641–70–587–1672, DSN 587–1672.

Buildings & Dates: Visit www.army.mil/a/292992 for the list of housing buildings and dates/times. Thank you for everyone who participated!

Annual ADPAAS Update: Due to recent world events, all personnel are encouraged to review and update their ADPAAS Records

- Ensure all contact information is correct
- All personnel must list a Physical Address **NOT** a ~~CMR~~ or PSC Box
- Phone Numbers must be in the correct format with proper country code:
  * Example OCONUS: +4912345678901
  * Example CONUS: 1-212-123-4567
- Ensure that all official and personal email addresses are current and correct
- Your Unit ADPAAS COR should:
  * Run a Unit Recall Roster Report to review information
  * Task all unit personnel to update their ADPAAS records for self and eligible family members

**NOTE: A recent audit of USAG Ansbach ADPAAS records revealed that MOST personnel records included a CMR address, and not the required Physical Address.

BEAT THE HEAT!
TAKE STEPS THIS SUMMER TO PROTECT YOURSELF FROM BECOMING A HEAT CASUALTY.
• SCHEDULE WORKOUTS EARLIER OR LATER IN THE DAY WHEN THE TEMPERATURE IS COOLER.
• START ACTIVITIES SLOWLY AND PICK UP THE PACE GRADUALLY.
• DRINK MORE WATER THAN USUAL. DON'T WAIT UNTIL YOU'RE THIRSTY.
• MONITOR YOUR BATTLE BUDDY'S CONDITION AND HAVE THEM DO THE SAME FOR YOU.
• WEAR LOOSE, LIGHTWEIGHT CLOTHING.
• IF YOU FEEL FAINT OR WEAK, STOP ALL ACTIVITY AND GET TO A COOL PLACE.

READY MISSION STEADY!

RECOGNIZE THE SIGNS OF DROWNING

In FY25, the Army lost six Soldiers to water-related mishaps. As the weather warms and Soldiers and their families head to beaches, lakes and rivers for some much-deserved downtime, learn to recognize the signs of drowning so everyone returns home safely.

DPTMS (Community Protection Drills)

- Beginning July 1st, USAG Ansbach will participate in recurring protection readiness drills directed by USAREUR-AF to strengthen and assess our responses across a variety of scenarios.

- These routine drills at Army garrisons in Europe are designed to ensure readiness while minimizing impacts to daily operations and unit missions.

- We will notify the community when drills may affect garrison services or your daily operations.

- During training, community members may notice increased security measures at installation gates and access control points, which could result in temporary traffic delays.

- These drills are not a response to any specific threat. USAG Ansbach routinely rehearses protection protocols with mission partners and host nation agencies to refine procedures and strengthen our collective readiness.

- In the event of a real-world emergency or threat, community members will be notified through our emergency messaging system, ALERT!. Register in Ansbach ALERT!: https://go.mil/AnsbachAlert.

DPTMS (Operational Security Awareness)

- USAREUR-AF has warned that adversaries are actively seeking to exploit OPSEC violations being perpetrated by units supporting contingency operations in both EUCOM and CENTCOM AORs.

- Well-meaning family members can accidentally leak vital details online while expressing pride or concern. Conduct a family OPSEC briefing. Instruct family members not to post countdown clocks, specific deployment dates, or location names on public forums.

- Adversaries actively harvest open-source intelligence from platforms like Facebook, Instagram, and X.

- "Think Before You Post." Never share unit movements, troop strengths, deployment locations, or equipment readiness.
