

Considerations before Military Deployment:

- Your stuff is re-useable, it goes:
  - To the Thrift Store Katterbach Bldg 5515
  - To the Thrift Store Illesheim Bldg 6555
- Recyclables and Bulky waste shall go:
  - To the On Post Recycle Centers
  - and at Katterbach: To provide to the monthly bulk waste collection, conducted by the City of Ansbach (dates available on the recycling web page).
- Remaining trash shall be disposed:
  - In the Grey trash container (for non-recyclables)

It remains a very small amount of trash if you separate your recyclable household stuff!

Separation of Waste is required by German Law and USAG Ansbach SORT Guide

Please help to avoid such picture !
