Multiple Integrated Laser Engagement System (MILES)			TSC USE ONLY
Part Number	Nomenclature	Quantity	Location
	MILES Individual Weapon System M16/M4		N1-N9

Due to high volume batteries that are required to operate MILES equipment, the receiving unit is required to supply their own batteries. Each set of MILES equipment requires 3x9V batteries.

Fort AP Hill currently has only legacy MILES in the the inventory. We are capable of acquiring the latest IMILES with a 90 day notice of training. Use the comments box on the first page to request IMILES.
