

# Community Bank

## Newcomer Services Briefing

**CommunityBank**

Operated by  **NAVY FEDERAL CREDIT UNION.**

# Provided by the Military Services Exclusively for You

Owned by the Department of Defense, Community Bank exists to provide convenient and affordable banking services and financial information to help support Service members, base organizations, and mission readiness.

Community Bank is operated through a contract between a commercial financial institution and the Department of Defense. Currently, the contractor is Navy Federal Credit Union. The Defense Finance and Accounting Service, in coordination with the Military Service banking representatives, is responsible for oversight of Community Bank.
