### USAG Bavaria – Hohenfels Military Community

#### HOHENFELS QUARTERLY COMMUNITY HUDDLE

##### TODAY:

Key leaders in the Hohenfels Military Community are hosting a community huddle from 10:30 a.m. to noon TODAY at the Community Activity Center (Bldg. 40). All community members – service members, civilian employees, retirees, Family members – are invited and encouraged to participate. Subject matter experts will inform the community on operations, services, programs and upcoming events at Hohenfels. This is also the community's chance to address questions and concerns directly with U.S. Army Garrison Bavaria and JMRC leaders.

#### MANDATORY ON-POST HOUSING INSPECTIONS

##### JAN. 26-30:

As mandated by the National Defense Authorization Act, a third-party contractor will inspect all government-owned on-post quarters Jan. 26-30. Inspections take an hour to 90 minutes each and cover all environmental, health and safety conditions therein. Adults must be present, and if an appointment is not scheduled or no one is at home, the house will be opened with an escort. Residents must schedule an appointment for an inspection now by scanning a QR code posted on doorhangers or [by visiting the web page here](#).

#### CIVILIAN TRAFFIC RECOMMENDED TO USE GATE 1 INSTEAD OF GATE 5

##### JAN. 27-31, FEB. 3-5:

Due to heavier than expected traffic at Gate 5 Jan. 27 through 31 and Feb. 3 through 5, civilian vehicles arriving onto post can instead use Gate 1 to access post. An illustrated diversion is attached to this email in case the increased traffic affects conditions on State Road 2234. To learn more about the gates at USAG Bavaria, [visit the page here](#).
