MEMORANDUM FOR All Personnel Living in On Post Government Quarters in USAG Bavaria

SUBJECT: USAG Bavaria Policy Memorandum #30, Yard Sale Responsibilities in Government Quarters

1. Yard (and Garage) Sales are a time-honored American tradition, typically conducted before or after a PCS move or just a good opportunity to get a little "Spring Cleaning" done.
2. Yard Sales are only permitted to offer used common household items for sale. The sale of new items, specifically purchased for re-sale in larger quantities, is not permitted.
3. Items sold to non-ID Card holders cannot exceed €25.00 in value; if the value exceeds this amount customs dues will have to be paid at the nearest German Zollamt (Customs Office). U.S. ID cardholders can purchase items with no price limitation.
4. Entry fees cannot be charged.
5. Yard Sales may be advertised through posting of signs.
  - a. Signs can be obtained from the Self-Help store or bought in the PX.
  - b. Signs can be hand-made if they are in good taste.
  - c. Signs will have to be placed in the ground. Under no circumstances will they be put on public or foreign private property, e.g., trees, traffic signs, traffic lights, light poles, ATM machines, bus stops or placed on car windshields, this list is not all-inclusive.
  - d. Signs are to be removed immediately after the event.
6. Yard Sales cannot be conducted in public areas, on public land, or foreign private property.
7. Families residing off-post in government-leased quarters or in private rental housing may also hold a yard sale on-post in conjunction with a resident in that housing area.
