A. WHO IS THIS ATTACHMENT FOR?

1. This attachment was created to assist Department of Defense (DoD) Civilian Employees. It is intended to help you understand your allowances and responsibilities involving the shipment and or storage of your household goods (HHG) and/or unaccompanied baggage (UB). This attachment does not apply to United States (U.S.) Coast Guard Civilian employees as their allowances are prescribed by the Federal Travel Regulation and Homeland Security policy. This policy directive has been reviewed by the Per Diem, Travel and Transportation Allowance Committee (PDTATAC) according to DoD Directive 5154.29, DoD Pay and Allowances Policy and Procedures, as PDTATAC Case RR090701. Any conflict between this directive and the Joint Travel Regulations (JTR), is resolved based on the JTR and not this directive.
2. The contents contained in this attachment are not all inclusive of allowances. For additional information, please consult the JTR or your local Transportation Office (TO) for up-to-date information.

B. DEFENSE PERSONAL PROPERTY PROGRAM (DP3)

1. To improve your moving experience and streamline the process for those who support it, the DoD developed a new program called the Defense Personal Property Program (DP3). This new program focuses on meeting the needs of Armed Forces (Army, Navy, Air Force, Marine Corps, and Coast Guard) Members, DoD Civilian Employees, and their families by promoting quality of service.
2. The backbone of the DP3 is the Defense Personal Property System (DPS), which automates and simplifies your personal property move process.

C. DEFENSE PERSONAL PROPERTY SYSTEM (DPS)

1. As a centralized, integrated system, DPS supports the DP3 as the one-stop source for managing personal property moves. For the first time, the United States Transportation Command (USTRANSCOM) has oversight of claims and Transportation Service Provider (TSP) information in one convenient location. In addition, DPS provides 24/7 access to personal property shipment information and a conduit for a direct relationship between DoD customers and TSPs throughout the entire moving process.
2. Some highlights of DPS include the ability of DoD customers to use DPS to settle claims directly online with their TSP. Claims protection includes Full Replacement Value (FRV) of lost items and/or items damaged beyond repair, direct communications and claims settlement between the customer and the TSP. DPS becomes the focal point for all DoD Customers, TSPs, Personal Property Shipping Offices (PPSOs), the Service Headquarters (HQ), TO, and others who participate in the personal property moving process.

D. ACCESSING DPS

1. First time DPS users must obtain an Electronic Transportation Acquisition (ETA) login Identification (ID) and password before accessing DPS.
2. To obtain an ETA login ID and password, go to <http://www.move.mil>.
3. Once you have accessed Move.mil, click on the “create a new account” link located in the green banner.
4. Follow instructions for checking browser capability and to obtain a user ID and password.
5. After obtaining user ID and password, select “Sign in to DPS”.

E. INTRODUCTION

1. A successful move is not a matter of chance. It is the result of planning and hard work. At the center of these efforts is you, the customer. If you expect a good move, you must play an active role.
2. This attachment has been prepared to help you understand your allowances and responsibilities concerning shipment and or storage of your HHG and/or UB. It also is intended to help you understand your allowances and responsibilities in the event you have to file a claim for loss and/or damage.
3. For additional DPS user and personal property shipping information, please visit <http://www.move.mil> or contact your local PPSO, TO, or Personal Property Processing Office (PPPO). Additional websites are listed at the end of [this attachment](#).
4. Your new unit may assign you a sponsor who should contact you some weeks in advance of your reporting date. A sponsor can often provide information helpful to you in arranging a smooth move. Contact your new unit if you have not heard from your sponsor within a reasonable period. It is your move. Ask questions. Read and understand what you sign. Get involved.

F. VALUABLE TIPS

1. Have expensive and valuable items (e.g., artwork, collectibles, heirlooms) appraised. The Government does not pay for the appraisals, but consider this part of your investment in the event of loss or damage. Attempt to locate original purchase receipts for your more expensive items and keep them separate from the rest of your shipment. Consider using a video camera or taking close-up pictures to record the condition of your furniture, working condition of your stereo, television, and the actual appearance of your expensive and/or valuable items prior to the HHG pack/pickup dates. This could help in the event you must file a Loss/Damage Claim.
2. Do not ship small, extremely valuable items such as stocks, bonds, jewelry, coins/coin collections, and items of great sentimental value such as photo albums. Pack them in your suitcases and hand-carry them, as well as your purchase receipts, pictures, and appraisals.
3. Protecting Your Personally Identifiable Information (PII) on International Shipments. Public Law allows for certain data elements on ocean vessel manifest which may contain PII to be shared with parties outside the DoD. To protect your PII, visit <http://www.move.mil/>, select “Moving Guide”, click on “Overseas Moves (OCONUS)”, and download the “Vessel Manifest Confidentiality Request Form”. Once completed, send to the email address identified on the form. Approvals can take up to 90 days to process, but once approved it is good for 2 years.

G. WEIGHT ALLOWANCES

1. HHG:
 - a. In accordance with (IAW) the JTR Chapter 5, the worldwide maximum weight of HHG that may be transported (and/or stored In Connection With [ICW] transportation) is 18,000 pounds net weight for each employee.

NOTE: HHG transportation time limitation is two years from the employee's reporting date at the new Permanent Duty Station (PDS).

2. UB:
 - a. IAW JTR Chapter 5, UB weight allowance is 350 pounds net weight for each adult and dependent age 12 or older and 175 pounds net weight for each child under age 12.
 - b. UB is the part of an employee's prescribed weight allowance of HHG that:
 - (1) Is not carried free on a ticket used for personal travel,
 - (2) Ordinarily is transported separately from the bulk of HHG, and
 - (3) Usually is transported by an expedited mode because it is needed immediately or soon after arrival at destination
 - c. UB shipped ICW permanent duty and Renewal Travel Agreement consists of:
 - (1) Personal clothing and equipment.
 - (2) Essential pots, pans and light housekeeping items.
 - (3) Collapsible items such as playpens, cribs and baby carriages.

NOTE: Items such as refrigerators, washing machines, major appliances, and furniture must not be included in UB.
3. You, not your TO or your TSP, are responsible for staying within your authorized weight allowance. If the weight of items packed, shipped, or stored exceeds your weight allowance, your Service is responsible for collecting excess costs from you.
4. For this reason, estimating the weight of your HHG is very important. Estimates should start early, even before you visit your TO or before you prepare your application to ship and or store personal property in DPS. The counselor at your TO requires an estimated weight for each shipment you intend to make.
5. An easy and usually dependable method for making this estimate is to figure 1,000 pounds per room (not including storage rooms or bathrooms), then add the estimated weight of large appliances and items in the garage, storage rooms, basement. An optional method is to use the "Weight Estimator" at <https://www.move.mil/resources/weight-estimator>.
6. Weight Estimates Not Official:
 - a. Weight estimates are not official, they are planning tools only. You can never use weight estimates to refute excess weight charges.
7. Excess Weight Can Cost Big Money:
 - a. Exceeding your authorized weight allowance on a move can cost you a lot of money. Charges for excess weight can range from several hundred to several thousand dollars.
 - b. Notification of overweight charges can take many months after your move is completed. For shipments in excess of the authorized weight allowance, the employee is financially responsible for all costs associated with the excess weight following transportation completion, as determined by the Service concerned. Payment for the transportation and collection from the employee for excess charges are IAW finance regulations (JTR Chapter 5).

8. Request for Reweigh:

- a. The TO at origin or destination can authorize a reweigh of your personal property shipment at your request at no cost to you. This ensures a reweigh of your personal property is completed or scheduled prior to accepting delivery. If you are available when your shipment is reweighed, you have the right to witness the reweigh and/or request to see the reweigh tickets for verification.

9. Overseas Weight Limitations:

- a. When Government furnishings are provided at an Outside Continental United States (OCONUS) location, HHG transportation at Government expense to or from such an OCONUS location ordinarily is limited to 4,500 pounds net weight, including the weight of UB, unless otherwise specified in the JTR.

NOTE: Appropriate storage, or transportation to a designated place, is authorized for the remainder of an employee's weight allowance.

H. MOTORCYCLE/DIRT BIKE SHIPMENTS

1. Generally, motorcycles and or dirt bikes can be shipped either as a separate Privately Owned Vehicle (POV) shipment, or in your HHG shipment. However, some countries do not allow the importation of motorcycles and or dirt bikes. If shipped to a country which does not allow their importation, the entire HHG shipment and or motorcycle/dirt bike shipment may be held by the Host-Country Customs Officials and may not be released until the unauthorized shipment has been corrected. This action may result in significant delays and a monetary inconvenience on your part.
2. Contact your local TO for details based on Host-Country requirements to which you are being assigned, or you may consult the Personal Property Consignment Instruction Guide by visiting <https://www.move.mil/sme>.
3. When shipping a motorcycle, the following outlines your responsibilities during the moving process:
 - a. Fuel injected models must be drained of fuel. Carbureted models must be drained down to reserve, or as low as possible. This can be done by running the engine until empty and/or using a siphoning device.
 - b. Make sure that tires are properly inflated, and vehicle is free of fluid leaks. Oil, transmission and fuel leaks are the usual culprits that must be repaired prior to shipment.
 - c. Disconnect battery and tape ends with electrical tape to prevent sparking.
 - d. Empty saddlebags and ensure you remove all belongings. Any paperwork, keys, boxes, or spare parts need to be shipped separately. Saddlebags and windshields can stay on the motorcycle and helmets may be shipped as long as they are securely strapped to the motorcycle.

NOTE: Ensure inventory reflects when helmet is attached to the motorcycle.

- e. Ensure motorcycle is unlocked so the driver can roll onto the truck and onto the skid.
- f. If equipped with a full style touring windshield, it is recommended that it be removed and shipped separately (crated if necessary).

I. WHEN TO MAKE ARRANGEMENTS

Upon receipt of official orders, you may access DPS (see [Paragraph D](#) for details) or visit your local TO. The sooner you perform these actions after receipt of orders, the better chance you have getting your personal property moved on the date you want. To ensure a smooth move, the TSP or its representative coordinates the pack and pickup dates with you during the pre-move survey.

NOTE: For shipments from the United States to overseas (export) or shipments from overseas to the United States (imports): If you would like to request that certain Personally Identifiable Information (PII) on the TSP vessel manifest not be shared or made available to the public per 19 CFR 103.31, complete a Vessel Manifest Confidentiality Request form located at <http://www.move.mil/> under the “Moving Guide” section and click on “Overseas Moves (OCONUS)”.

J. WHO TO SEE

The Army, Navy, Air Force, Marine Corps, and Coast Guard operate TOs. Your origin TO is your first point of contact when questions or problems arise concerning the movement and or storage of your HHG/UB.

K. WHAT YOU “MAY” SHIP AS HHG

1. Items associated with the home and all personal effects belonging to an employee and dependents on the employee's effective date of transfer or appointment that legally may be accepted and transported by a commercial HHG carrier. HHG also include:
 - a. Professional Books, Papers, and Equipment (PBP&E)/PRO-Gear needed and not needed for the performance of official duties at the next or a later destination. PBP&E/PRO-Gear that are needed but may cause the HHG total weight to exceed 18,000 pounds optionally may be shipped administratively and therefore must be weighed separately and identified on the origin inventory as PBP&E/PRO-Gear.
 - b. Spare POV parts (e.g., car engine/transmission) not to exceed the member's administrative HHG weight allowance and a pickup tailgate when removed.
 - c. Integral or attached vehicle parts that must be removed due to high vulnerability to pilferage or damage (e.g., seats, tops, winch, spare tires, portable auxiliary gasoline can(s), Compact Disk players, Global Positioning Systems, and miscellaneous associated hardware).
 - d. Consumable goods for an employee with Permanent Change of Station (PCS) travel authorization to locations listed on the Defense Travel Management Office website in the JTR, Paragraph 054310 F.
 - e. A vehicle other than POVs (such as a motorcycle, moped, hang glider, golf cart, jet ski, and snowmobile [and/or the associated trailer] of reasonable size, that can fit into a moving van).
 - f. Boat or personal watercraft with or without an associated trailer for employees are limited to the size that will fit into a moving van. The maximum size that will fit into a moving van is 18 feet in length, 6 feet 10 inches in width, and a height of 6 feet 5 inches. Boats or personal watercraft and their associated trailers belonging to civilian employees which exceed 18 feet in length do not meet the definition of HHG, and therefore are not authorized for shipment Government expense.
- NOTE:** Special packing, crating and/or handling expenses for these articles are the employee's financial responsibility.
- g. Ultra-Light vehicles (defined as being single occupant; for recreation or sport purposes; weighing less than 155 pounds if unpowered or less than 254 pounds if powered; having a

fuel capacity Not To Exceed [NTE] five gallons; airspeed NTE 55 knots; and power-off stall speed NTE 24 knots).

- h. A utility trailer, with or without a tilt bed, with a single axle, and an overall length of no more than 12 feet (from rear to trailer hitch), and no wider than eight feet (outside tire to outside tire). Side rails/body no higher than 28 inches (unless detachable) and ramp/gate for the utility trailer no higher than four feet (unless detachable).

L. WHAT YOU “MAY NOT” SHIP AS HHG

1. Personal baggage when carried free on commercial transportation.
2. Automobiles, trucks, vans and similar motor vehicles; airplanes; mobile homes; camper trailers; horse trailers; and farming vehicles.
3. Live animals including birds, fish and reptiles.
4. Cordwood and building materials.
5. HHG for resale, disposal or commercial use.
6. Privately owned live ammunition.
7. Boats (other than those listed above).
8. Hazardous articles including explosives, flammable and corrosive materials, poisons, propane gas tanks.

Local laws or TSP regulations may prohibit commercial shipment of certain articles not listed above. Laws and regulations prohibit articles liable to impregnate or otherwise damage equipment or other property—for example, hazardous materials including explosives, flammable, and corrosive materials, and poisons. Contact your TO if you have a question about any item refused for shipment by the TSP.

M. PROFESSIONAL BOOKS, PAPERS & EQUIPMENT/PRO-GEAR (PBP&E)

1. PBP&E allowances have changed for employees whose travel orders are issued 1 May 2014 and after. The new allowances limit PBP&E to 2,000 pounds net weight and no longer include personal computers and accompanying equipment, and/or awards presented for significant contributions while performing official duties.

NOTE: Employees whose travel orders were issued prior to 1 May 2014 are not subject to the PBP&E weight limitation and may include personal computers and accompanying equipment, and awards presented for significant contributions while performing official duties. Employees who have transported more than 2,000 pounds of PBP&E overseas prior to the change will be grandfathered and allowed to return the same amount to the CONUS. Please see the JTR, Paragraph 054309, PBP&E Weight Limitation, for further information.

2. A DoD employee must receive prior approval from the gaining duty station to ship PBP&E/PRO-Gear, travel orders must state that shipment of PBP&E/PRO-Gear is authorized, and the official travel order must contain a separate line of accounting for PBP&E/PRO-Gear. Additionally, the weight of your PBP&E/PRO-Gear shipped counts toward your authorized weight allowance.
3. If the shipment of PBP&E/PRO-Gear might cause an excess weight condition as determined before transportation, PBP&E/PRO-Gear may be moved as an administrative expense as opposed to a HHG transportation expense; which may be authorized subject to the following conditions:
 - a. Before shipment occurs, the employee must furnish an itemized inventory of PBP&E/PRO-Gear for review by an official designated by the authorizing/order-issuing command

- b. The employee must furnish evidence (as determined by the authorizing/order-issuing command) that transporting the itemized materials as part of the HHG results in a weight in an excess weight situation
 - c. An official designated by the authorizing/order-issuing command at the new PDS, must review and certify that the itemized PBP&E/PRO-Gear, are necessary for the proper performance of the employee's duties at the new PDS, and that if these items are not transported to the new PDS, the same or similar items would have to be obtained (at Government expense) for the employee's use at the new PDS.
4. PBP&E/PRO-Gear are articles of HHG in an employee's possession needed for the performance of official duties at the next or later destination. The following are examples of PBP&E/PRO-Gear:
- a. Reference material.
 - b. Instruments, tools, and equipment peculiar to technicians, mechanics, and members of the professions.
 - c. Specialized clothing such as dive suits, astronauts' suits, flying suits and helmets, band uniforms, chaplains' vestments, and other specialized apparel not ordinary or usual uniform or clothing.
 - d. Communication equipment used by an employee in association with the Military Affiliate Radio System.
 - e. Individually owned or specially issued field clothing and equipment.
 - f. Government-or uniformed service-owned accountable Organizational Clothing and Individual Clothing property issued to the employee by the Service/DoD Component for official use.

NOTE: The following are excluded from PBP&E/PRO-Gear:

- 1 Commercial products for sale/resale used in conducting business,
- 2 Sports equipment,
- 3 Office furniture,
- 4 Household furniture,
- 5 Shop fixtures,
- 6 Furniture of any kind even though used In Connection With (ICW) the PBP&E (e.g., bookcases, study/computer desks, file cabinets, and racks),
- 7 Personal computer equipment and peripheral devices,
- 8 Memorabilia including awards, plaques or other objects presented for past performance, (includes any type of going away gifts, office decorations, pictures, etc.)
- 9 Table service including flatware (including serving pieces), dishes (including serving pieces, salvers and their heating units), other utensils, and glassware.
- 10 Other items of a professional nature that are not necessary at the next/subsequent PDS, such as text books from previous schools unrelated to future duties, personal books, even if used as part of a past professional reading program or course of instruction and reference material that ordinarily would be available at the next/subsequent PDS either in hard copy or available on the Internet.

N. ALCOHOLIC BEVERAGE SHIPMENT

1. Each Service allows for the importation of Alcoholic Beverage Shipment; however, the method of importation varies. The following extract from the JTR states that the shipment of alcoholic beverages as HHG must conform to 27 United States Code, Section 122. For further details, contact your local TO.
 - a. *Sec. 122. – Shipments into States for possession or sale in violation of State law. The shipment or transportation, in any manner or by any means whatsoever, of any spirituous, vinous, malted, fermented, or other intoxicating liquor of any kind from one State, Territory, or District of the United States, or place noncontiguous to but subject to the jurisdiction thereof, into any other State, Territory, or District of the United States, or place noncontiguous to but subject to the jurisdiction thereof, or from any foreign country into any State, Territory, or District of the United States, or place noncontiguous to but subject to the jurisdiction thereof, which said spirituous, vinous, malted, fermented, or other intoxicating liquor is intended, by any person interested therein, to be received, possessed, sold, or in any manner used, either in the original package or otherwise, in violation of any law of such State, Territory, or District of the United States, or place noncontiguous to but subject to the jurisdiction thereof, is prohibited.*
2. Visit the following websites for additional information on the importation of alcoholic beverages:
 - a. State Wine Laws: <http://www.wineinstitute.org> (select the State Shipping Laws link on the left side of the Web page.)
 - b. Personal Importation of Alcoholic Beverages:
http://www.ttb.gov/importers/personal_importation.shtml.
 - c. Alcohol Beverage Control Boards for the United States:
<http://www.ttb.gov/wine/state-ABC.shtml>.

O. FIREARMS

When shipping firearms within or to the Continental United States (CONUS), you must comply with local and/or state laws, and Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) regulations. For the website address, visit <http://www.atf.gov/>. For shipments to overseas countries, you must abide by the laws of the host country. When returning firearms from overseas to the United States, you must identify your firearms on your individual customs declarations and obtain ATF Form 6, Part 1. This form is required to bring firearms into the United States. The form is available on the ATF website and the process period may be as long as 6 weeks.

P. GYPSY MOTH

1. Planning to move from a State infested with gypsy moth to one that is not infested? Moving your outdoor lawn furniture, lawnmower, garden tools, and/or playground equipment across State lines? You need to know about a regulation intended to prevent the interstate spread of this pest.
2. To prevent the spread of gypsy moth, you are responsible for making sure that your outdoor household articles do not move the gypsy moth. How you do this is your decision. The quarantine regulations allow for self-inspection of HHG, and this attachment was developed to assist you should you choose to self-inspect. Alternatively, you may pay a U.S. Department of Agriculture (USDA)-trained certified pesticide applicator to inspect the articles you plan to move.
3. To learn more about the gypsy moth, where the problematic areas are, and how you can prevent the spread of gypsy moth, go to <https://www.aphis.usda.gov/aphis/resources/pests->

diseases/hungry-pests. Your local TO can also provide additional details. Your local TO can also provide additional details.

Q. PERSONALLY PROCURED MOVEMENT (PPM) OF HHG

The employee must make the necessary arrangements for the HHG move and pay for the move. Reimbursement is limited to actual expenses incurred by the employee, NTE the cost of a Government-arranged move for the same weight of HHG. Ensure your official travel orders indicate a PPM is authorized prior to the movement of HHG. For additional information, contact your local TO and/or Civilian Personnel/Human Resource Offices.

R. PRIVATELY OWNED VEHICLE (POV)

To obtain information regarding shipping and/or storing your POV, please visit the DTR Shipping Your POV web page at https://www.ustranscom.mil/dtr/part-iv/dtr_part_iv_app_k_3.pdf and the Storing Your POV web page at https://www.ustranscom.mil/dtr/part-iv/dtr_part_iv_app_k_4.pdf.

S. STORAGE

When authorized, an employee may be entitled to either temporary storage known as Storage-In-Transit (SIT) or long term storage known as Non-Temporary Storage (NTS).

1. SIT:

- a. SIT is short-term storage that is part of HHG transportation. SIT may occur at origin, destination, and/or anyplace en route. SIT is not authorized for HHG moves between local quarters when no PCS exists.
- b. SIT (ICW authorized HHG transportation) should not exceed 60 days (CONUS-CONUS) and 90 days (to/from OCONUS) unless the employee requests (in writing) an additional period, NTE 90 days, that is authorized/approved by a Service/Defense AGENCY designated official. Under no circumstances may a Service/Agency authorize/approve SIT at GOV'T expense for CONUS to CONUS shipments exceeding a total of 150 days (CONUS) or 180 days (to/from OCONUS). If no additional storage is authorized/ approved, the employee is financially responsible for additional storage expense (FTR §302-7.9).
- c. Acceptable justification for an additional SIT period includes:
 - (1) An intervening Temporary Duty or long-term training assignment.
 - (2) Non-availability of suitable housing.
 - (3) Completion of residence under construction.
 - (4) Serious employee illness.
 - (5) Dependent illness or death.
 - (6) Strikes.
 - (7) Natural Disaster.
 - (8) Other circumstances beyond the employee's control.
 - (9) Similar reasons.

2. NTS. An employee may be eligible for NTS when:
 - a. An employee performs PCS travel or new appointee travel to a designated isolated CONUS PDS.
 - b. An employee moves to/between OCONUS areas, and
 - (1) Is not authorized to transport HHG
 - (2) Is unable to use HHG at the PDS
 - (3) Storage is in the best interest of the Government, or
 - c. The estimated storage cost would be less than the round-trip transportation of HHG including SIT to the new PDS.
 - d. A Department of Defense Dependent Schools employee.

NOTE: The Government does not pay for climate controlled NTS. For additional information, contact your local TO.

T. ARRANGING THE MOVE

You either visit your TO to arrange the movement and/or storage of your personal property, or if applicable, you may “Self Counsel” yourself using DPS. Reminder: All first DPS users must obtain an ETA account before you can access DPS. Refer to [Paragraph D](#) of this brochure for additional information. Provide the following at time of counseling:

1. Complete set of orders/authorization including amendments/ for each type of shipment planned (e.g., HHG, NTS, UB).

NOTE 1: For shipments from the United States to overseas (export) or shipments from overseas to the United States (imports): if you would like to request that certain Personally Identifiable Information (PII) on the TSP vessel manifest not be shared or made available to the public per 19 CFR 103.31, complete a Vessel Manifest Confidentiality Request form located at <http://www.move.mil/>; under the “Moving Guide” section, click on “Overseas Moves (OCONUS)”, and then download the “Vessel Manifest Confidentiality Request Form”.

2. An idea of when you want to move and an estimated weight. Be as flexible as possible when selecting HHG pack and pickup dates. Your preferred dates may not be available during some periods such as summer or days near official holidays. Avoid scheduling lease termination or house sale closing on the same date your HHG are scheduled to be packed, picked up, or delivered. Leave some time in your schedule for the unforeseen.
3. You or your designated representative must be available between the hours of 8:00 a.m. and 5:00 p.m. on pack, pickup, and delivery dates.
4. The date you plan to arrive at your new duty station. Your arrival date assists your TSP and/or local TO schedule delivery of your shipment(s) which may reduce storage costs paid by the Government. For example, if you know you are unavailable to accept a shipment for three months, do not schedule a HHG delivery date during the three months you are not available.
5. What type of shipment you want to make (HHG, UB, and/or NTS) and the estimated weight. Do not forget to declare PBP&E/PRO-Gear.
6. Information on excess cost. The minimum excess cost is approximately \$100.00 per a hundred pounds over the maximum weight allowance. If you have not used an item, or you plan to get rid of it “soon” we encourage you to “pitch it before we ship it.”

7. A list of large or unusual items (i.e., large-screen TV plasma, LCD, DLP, piano, pool table, china cabinet, wall unit, satellite dish, hot tub, boat, motorcycle, recreational vehicle).
8. A letter of authorization signed by you or a power of attorney; required if you are unable to visit the TO. You may appoint your spouse or an agent to act on your behalf. Be sure the person you choose knows what you want and has the information to make the right arrangements. Remember, this person is acting for you, and you are responsible for that person's decisions.

U. DOCUMENTATION

1. If you receive a personal property counseling at your TO, your counselor provides you with copies of all documentation associated with the movement and/or storage of your shipment(s). Look over your documentation carefully before signing.
2. If you performed "Self-Counseling" in DPS, you are prompted screen-by-screen to read and acknowledge your inputs. You also receive a shipment summary prior to electronically submitting your application(s) for shipment and/or storage to your responsible TO for review. You then are able to print the documentation created for each shipment request. In the event corrective actions are required on your part in DPS, your TO notifies you by phone and/or e-mail.

NOTE: Keep copies of all documentation related to the shipment and/or storage of HHG. Do not pack them in your shipments. It is recommended that you hand-carry your documentation to your new destination.

V. RESPONSIBILITIES

A good move depends largely on how much you get involved and how well prepared you are when the TSPs arrive. The following is a guide to assist you and may be used as your record of tasks accomplished.

1. Your Responsibilities (at Origin). Keep your TO/TSP informed of any change in your orders or other changes, such as a current telephone number or e-mail address where you are available until you leave your old duty station.
 - a. If shipping any engine power driven equipment (e.g., motorcycle, dirt bike, lawnmower, snowmobile, moped, boat), ensure they are free of dirt or grease. Disconnect the battery cables and tape the leads so they do not make contact with the battery terminals. Batteries with acid or alkali are prohibited from shipment; only nonspillable gel-type batteries are authorized. Disconnect lead from spark plug and also tape lead so it does not make contact with spark plug. With the motorcycle/dirt bike running, completely run it out of gas until it stalls. No fuel can be in the tank when shipping a motorcycle/dirt bike as a HHG shipment.
 - b. Do not change your shipping dates unless necessary. Changing moving dates, especially during the summer months, can mean a lengthy delay in getting your move rescheduled. Contact the TO and/or TSP, immediately if rescheduling the shipping dates is necessary. Notify the TO/TSP if you or your designated representative is not available during the scheduled pack and/or pickup dates. If the TSP arrives to pack/pick up your personal property and either you or your designated representative is not available, you may be financially responsible for an "Attempted" pickup charge. This fee must be paid in full prior to re-scheduling new pack and pickup dates.
 - c. Contact the origin TO if the TSP, or the TSP's representative, has not contacted you a few days prior to your scheduled pickup date.
 - d. You or your representative designated in writing must be home when the TSP arrives to pack and remove your belongings. (Between the hours of 8:00 a.m. and 5:00 p.m.)

- e. Thirty days in advance is not too early to begin preparation for your move.
- f. For shipments from the United States to overseas (export) or shipments from overseas to the United States (imports): If you would like to request that certain Personally Identifiable Information (PII) on the TSP vessel manifest not be shared or made available to the public per 19 CFR 103.31, complete a Vessel Manifest Confidentiality Request form located at <http://www.move.mil/>; under the “Moving Guide” section, click on “Overseas Moves (OCONUS)” and then download the “Vessel Manifest Confidentiality Request Form”.
- g. Ensure that any untidiness of your residence or pickup location does not hinder the job performance of the crew that packs your property.
- h. Remove your TV antenna; disconnect your satellite dish.
- i. Empty, defrost, and thoroughly wash the inside of your refrigerator and/or freezer to keep mildew at a minimum during transit and storage, these appliances need at least 2 days to dry out. Leave doors open after cleaning.
- j. Drain water from hot tubs and waterbeds.
- k. Remove window air conditioners.
- l. Disconnect and prepare all components such as stereos, compact disc players, videodisc players, computers, printers, televisions, and VCRs for the move.
- m. Disconnect all appliances, such as washer, dryer, and stove. Charges associated with disconnecting these appliances are your responsibility so you should complete disconnections prior to the HHG pack and pickup dates. If you are shipping or storing a front-load washer, please provide necessary hardware (e.g., shipping bolts) when available.
- n. Disconnect TVs (Plasma/LCD/DLP); un-mount them from the wall.
- o. Dispose of foods that could spill or spoil in transit or in storage.
- p. Dispose of worn out and unneeded items before the move to avoid wasteful packing, moving, or storage expenses and excess weight to you.
- q. Remove hanging objects scheduled for shipping from the walls, ceilings and cabinet. This includes curtain rods, kitchenware (kitchen utensil, food racks), mirrors, and pictures.
- r. Dismantle outdoor play equipment and outdoor structures (i.e., utility sheds, playhouses, swing, or gym sets).
- s. Ensure personal property items are free of soil/pest infestation (i.e., gypsy moths, brown tree snakes). Remember: Complying with requirements of the USDA and state laws is your responsibility.
- t. Remove personal property from an attic, crawl space, or similar storage area within the residence. The TSP is not required to go into areas which:
 - (1) Are not accessible by a permanent stairway (ladders are not considered a permanent stairway),
 - (2) Are not adequately lighted,
 - (3) Do not have a finished floor, and
 - (4) Do not allow a person to stand erect.
- u. Have your property separated by shipment and distinctly marked. Put items that are to go in the UB shipment in one room. Distinctly mark items for storage, items not to be packed, and

so on. This reduces the chance of items getting into the wrong shipment or preventing the shipment of items intended for disposal. When possible, dispose of all trash and items to be discarded prior to the TSP's arrival.

- v. Separate your professional items and any authorized additional consumables. Be sure they are identified on the inventory as "PBP&E/PRO-Gear" or "Consumable Items" and ensure they are weighed separately or a constructive weight has been annotated on the inventory.
- w. Remove all old TSP markings and stickers from furniture and boxes.
- x. Identify contents left in drawers. Be sure the inventory reflects the contents.
- y. Safeguard all cash, jewelry or other expensive items. Hand-Carry them.
- z. Airline tickets and passports are important documents. It is a good idea to keep these items locked in your car, or ask a friend or neighbor to keep them until your HHG shipment is picked up.
- aa. Ensure each carton and loose item (e.g., ladder, rake) has an inventory tag and all tag numbers appear on the inventory.
- bb. Monitor the wrapping and packing of your items. Make sure everything is wrapped individually and adequately. Make sure heavy items are not packed on top of light items. Do not allow your property to be taken to the warehouse to be packed without first consulting the TO.
- cc. Drain all gasoline, oil, and water from power- equipment (e.g., lawn mowers, snow blowers,) prior to pickup.
- dd. Have any pre-packed boxes, cartons or totes available for the TSP to check. TSPs may repack items in pre-packed containers to ensure safe transport of your property.
- ee. Carefully read the inventory prepared by the TSP's personnel before you sign. Look at it from time to time while the items are packed. Ensure all boxes and loose items are listed correctly on the inventory. If a box contains crystal or ceramic figurines, make sure the inventory says "crystal" or "Hummels" or "Lladros," instead of a generic description such as "kitchen items" or "glass."
- ff. Make sure major items (e.g., pieces of stereo equipment) are individually noted on the inventory with complete and accurate descriptions.
- gg. If the packers list "color television," have them add the size, make, model, and serial number (when readily accessible). This procedure also applies to stereo and video components. Closely check the string of symbols showing pre-existing damage. These symbols are explained in the top, right-hand corner of the inventory. For example, "BR 2-4-5-3" means "broken, bottom, front-left corner."
- hh. A good inventory shows what you shipped and what condition the item was in at the time of pickup. If your inventory is inaccurate, tell the TSP's representative, and write down why you disagree at the bottom of the inventory in the space marked for exceptions.
- ii. Do not argue with the TSP's representative. If you have a problem, call your TO at once.
- jj. Do not sign anything until you read, understand, and agree with it. You must be provided a legible copy of everything you sign. Never sign a blank, incomplete, or illegible form, or a form you cannot clearly understand.

2. Your Responsibilities (at Destination):

- a. Contact the destination TO and/or the TSP delivering your personal property as soon as possible after your arrival even though you may not know the delivery address for your personal property. The TO/TSP needs a telephone number and/or address where you can be reached on short notice.
- b. As soon as you have a delivery address for your personal property, call the TO again and provide this information.
- c. If possible, be prepared to accept delivery of your property as soon as it arrives. This prevents additional handling, reduce the chance of loss or damage, and reduce or eliminate storage expenses.
- d. You or your designated representative in writing must be home on the day of delivery.
- e. Know in advance where you want each piece of furniture placed in your new residence. You are allowed a “one time placement of goods” by the TSP upon your request.
- f. Check each carton or item off the inventory. Make sure everything that was picked up is delivered.
- g. If you discover any loss and/or damage at the time of delivery, list all missing and/or damaged items by appropriate inventory number on the DD Form 1840, Joint Statement of Loss or Damage at Delivery/Defense Personal Property Program Notification of Loss or Damage AT Delivery” Form. Do not sign for services if the TSP did not perform them.
- h. Do not argue with the TSP. Contact the destination TO if problems arise.

3. TSP’s Responsibilities (at Origin):

- a. Conduct Pre-Move Survey (Physical or Telephonic) depending on the type of shipment and estimated weight. When required, it should be conducted prior to the first day of packing.
 - (1) Purpose of Pre-Move Survey: TSP or TSP’s representative determines weight/volume of property to be packed/loaded, quantity and type of packing materials required, whether or not items require special crating (e.g., marble tops, artwork, grandfather clock), whether a third party should be involved to disassemble certain objects (e.g., German Wall Unit, other specialized furniture/equipment). If a TSP/TSP representative feels special services are required that were not identified at the time of counseling, the TSP/TSP representative submits their request to the TO for review/approval. The TO makes the final determination. If denied, you can request the TSP to provide specialized services; however, at your own expense.
 - (2) TSP/TSP representative determines the number of days required to pack/pick up the shipment.
 - (3) TSP/TSP representative and you can negotiate pack, pickup and delivery dates during the Pre-Move Survey. Keep both your origin and destination TOs informed of any changes to include pickup/delivery address, telephone number/e-mail address changes.
- b. Begin packing/pickup between 8:00 a.m. and 5:00 p.m.
- c. Protect appliances against damage while in transit. The TSP secures moving parts that, if allowed to move in transit, could damage the appliance.
- d. Use new, clean packing materials for linen, clothing, and bedding.
- e. Use new or like-new packing materials for all other items. Excelsior or newspaper is not allowed. Items packed in boxes should be padded and insulated from carton walls.

- f. Pack mirrors, pictures, and glass tabletops in specially designed cartons.
 - g. Wrap and protect all finished surfaces from marring or scratching; use furniture pads.
 - h. Properly roll and protect rug and rug pads at residence. Only small throw rugs may be folded.
 - i. Pack all designated professional books, papers, and equipment in separate boxes. These cartons must be marked “PBP&E/PRO-Gear”, weighed separately, and listed on the inventory form.
 - j. Put all nuts, bolts, and screws from a disassembled item in a bag and attach securely to the item.
 - k. Mark each carton to show general contents.
 - l. Prepare an accurate and legible inventory.
 - m. Obtain approval from the TO prior to loading on the tailgate of the moving van.
 - n. Remove all excess packing material from your residence.
4. TSP’s Responsibilities (at Destination):
- a. Begin delivery between 8:00 a.m. and 5:00 p.m.
 - b. Perform a one-time placement of rugs prior to placement of your HHG.
 - c. Unpack and unwrap all cartons, boxes, and crates.
 - d. Place each item or carton in the room you indicate. This one-time placement includes placing unpacked articles in cabinets, cupboards, or on kitchen shelves when convenient, safe, and it is your desired location. Have placement planned out before the TSP arrives. TSPs are required to place each item only once.
 - e. Assemble all furniture and equipment if disassembled at origin.
 - f. Remove packing and blocking from appliances. The TSP is not required to connect appliances to electric, gas, or water outlets.
 - g. Provide a “Joint” written record of any loss and/or damage at delivery on DD Form 1840 or on the Defense Personal Property Program Notification of Loss or Damage AT Delivery Form. You and/or your designated representative along with the delivery TSP sign this form. The TSP’s representative must provide a copy of this form.
5. Once the shipment has been delivered, the TSP is not required to deliver property to a self-storage facility.

NOTE: It is not advisable to waive unpacking at any time during the delivery. However, if unpacking is waived, the TSP is not required to return later to unpack or remove debris.

W. CLAIMS FOR LOSS AND DAMAGE (FRV)

Unfortunately, you may suffer loss or damage to your personal property during movement. If your property is lost or damaged you have the right to file a claim directly with the TSP. (You may also purchase additional insurance for your move through the TSP or from a private insurance company.

- 1. For shipments not processed in DPS, an employee files a claim for Loss/Damage noted the day of delivery on DD Form 1840. The employee/designated agent and the TSP signs/dates DD Form 1840 on the date of delivery. Additional loss/damage noted after the delivery date is recorded on

DD Form 1840R, Notice of Loss or Damage. The time-frame and FRV listed below apply. You file a claim for Loss/Damage at your Military Claims Office.

2. All DoD customers are eligible for FRV protection on DoD funded personal property shipments at no cost to you.
3. If the employee's property is lost or damaged during a move, they may file a claim against the TSP. The employee can file a claim directly in DPS with the TSP for damaged or lost items at the time of delivery or after delivery. The employee is authorized FRV coverage as detailed below:
 - a. FRV:
 - (1) If a claim is filed directly with the TSP within nine months of delivery, then the TSP's maximum liability on each domestic HHG (dHHG), international HHG (iHHG), and international UB (iUB) shipment is:
 - (a) \$5,000 per shipment, or
 - (b) \$4.00 times the net weight of the HHG shipment, or gross weight of the iUB shipment, in pounds, not to exceed \$50,000, whichever is greater.
 - (2) For loss/damage discovered on the date of delivery, the employee must complete Defense Personal Property Program Notification of Loss or Damage AT Delivery.
 - (3) For loss/damage discovered after the delivery date, the employee must complete Defense Personal Property Program Notice of Loss or Damage After Delivery.
 - (4) For direct claims settlement between employee and TSP:
 - (a) Claims must be filed through DPS.
 - (b) Claims must be filed with the TSP first to maintain FRV eligibility.
 - (5) An employee has the option to transfer the claim to the military claims service after 30 days. In this instance, the claims service pays the employee depreciated value and then pursues the FRV claim with the TSP. After settlement with the TSP, if the FRV settlement exceeds the amount paid by the claims service to the employee, the employee receives the difference.
 - b. The TSP may offer quick claim settlement.
 - (1) Less than \$500.
 - (2) Within 5 days of delivery.
 - (3) Not reported in DPS unless customer files an additional claim.
 - c. The TSPs are responsible for obtaining repair estimates.
 - d. Employee and TSP negotiate settlement through DPS.
 - (1) The TSP must pay, deny, or make an offer within 60 days of receipt of a complete claim through DPS.
 - (2) The employee has the ability to accept or reject the TSP's offer on a line-by-line basis.
 - e. Inconvenience Claims. It is the TSP's responsibility to pick up and deliver personal property shipments on the dates reflected on the BL. Failure to do so can cause serious inconvenience to the DoD employee and their dependents, and can result in unnecessary expenditure of funds for lodging, food, rental/purchase of household necessities. An inconvenience claim may be filed for out-of-pocket expenses caused by the TSP's failure to act on the agreed dates

at origin or destination. Inconvenience claims against the TSP must be reasonable, supported by receipts, and relate directly to relieving a definite hardship when establishing a household.

- f. For dHHG and iHHG shipments, the employee receives a toll-free number prior to pickup for direct communication between the employee and the TSP. The toll free number may be used for customer inquiries and problem resolution during any phase of the move. The TSP must respond to the employee's concerns within 24 hours from the employee's initial call if received Monday through Friday and by close of business the following workday for calls/inquiries received by the carrier on Saturdays, Sundays, or legal (officially declared national) holidays. Each employee should be counseled that the toll free number is not to be used for shipment changes (pickup date or delivery date changes). The employee must contact the local Transportation Office for any changes after shipment award to a TSP.

X. PURCHASING ADDITIONAL INSURANCE

Depending on the value of your HHG, you may decide to purchase additional insurance through the TSP or a commercial company (at your own expense). Additionally, some homeowner policies may cover some items in shipment; check your policy or contact your insurance company for details.

NOTE: The option to purchase additional insurance through the Government no longer exists.

Z. DURING AND AFTER THE MOVE

Evaluation of Move. At some time during packing, pickup and/or delivery of your personal property, a Quality Control inspector from the TO may drop by to check on the progress of the services being performed by the TSP. If you have any questions or problems, inform the inspector or contact the TO.

1. Customer Satisfaction Survey (CSS).
 - a. Your voice counts. After receiving your delivery at destination you are asked to complete a CSS survey. The CSS is the primary source of data that is used in determining the performance portion of each TSP. It is very important to update your email address and contact information at destination. You will be informed on the importance of completing the CSS on the web upon delivery of each shipment moved. If you did not complete this survey you will receive e-mail reminders. You, as a customer, can assist in improving the quality of personal property moves. Your opinion counts and every completed survey enhances the program.
 - b. To access the survey, please call 800-462-2176 Option 4 to complete the CSS.
