COMMANDER’S HIGHLIGHT

Fest Season is upon us. Get up, get out, be active and enjoy all that Germany has to offer, but please do so responsibly. Please think before you drink. There is no reason for a single DUI. Stay safe and protect your life and your career. When going out have a plan, designate a driver and always have the number of a taxi service with you. Enjoy Germany. And while you’re here plug-in, stay connected and get involved with your community.
