

Instructions: How to Update Your Alert! Profile

U.S. Army Garrison Bavaria sends ALERT! messages to registered users in effected communities. In order to ensure that you receive messages use these eight steps to update your ALERT! Profile.

Using **Google Chrome** go to <https://alert.csd.disa.mil> and follow the instructions on the next few slides.

Greetings, you have reached the Alert! mass notification system home page. The Alert! mass notification system is used to alert you in case of an emergency. To update your profile information, please click the DoD logo below.
