Family Child Care (FCC)

The Family Child Care (FCC) program is an integral part of the Child and Youth Services (CYS) childcare system available on Army garrisons. FCC provides quality home-based care for children 4 weeks to 12 years old and is offered in government owned and government leased housing located on post.

FCC has unique qualities that make it a preferred choice for many Families. It offers flexible hours: full-day, part-day, extended /overnight, weekend and hourly care in a comfortable home setting. FCC also offers a 15% cost savings compared to Child Development Centers and School Age Care fees.

FCC Providers are vetted and only the best qualified candidates are recommended for certification. Providers must complete background checks and regular home inspections as a part of certification. They also receive paid ongoing training for professional development.

Army policy requires that anyone providing care on a regular basis for more than 10 hours per week must be certified through Child and Youth Services as an FCC provider.

Providing unauthorized childcare in government owned/leased housing puts you at risk of losing your housing privileges. Unauthorized childcare by an uncertified person puts your child at risk.

For more information on how to register your children in the FCC Program visit MCC.COM.

Announcing New Bonuses for FCC Providers!

We're offering two bonuses to qualified FCC providers!

Relocation Bonus: Up to a \$1000 relocation bonus will be provided to FCC providers who successfully relocate their home business to a gaining installation. Providers will receive payments over a twelve-month period. Payments will begin upon home certification and enrollment of at least two children who are unrelated to the provider. Payments will be disbursed monthly with an initial payment of \$120 and \$80 thereafter (for the next eleven months). If the home closes or certification is lost during this time, all remaining payments will be forfeited.

Recruitment Bonus: Up to a \$1000 recruitment bonus will be provided to FCC Providers who successfully open their homes. Providers will receive payments over a twelve-month period. Payments will begin upon home certification and enrollment of at least two children who are unrelated to the provider. Payments will be disbursed monthly with an initial payment of \$120 and \$80 thereafter (for the next eleven months). If the home closes or certification is lost during this time, all remaining payments will be forfeited. This is a one-time incentive.

BECOMING A VOLUNTEER

Turns out, many organizations at U.S. Army Garrison Bavaria need help. Organizations such as your **Soldier Family Readiness Group**, **American Red Cross**, nearby **DoDEA Schools**, **USO**, **MWR** and the **Directorate of Human Resources** have volunteer openings ranging from assistant administration and leadership to after-school sports coaches and special events coordinators.

Many of these positions coincide with the work of paid employees and — often after demonstration of dedication and proficiency — evolve into employment.

These volunteer opportunities are regularly uploaded by organizations across the Bavarian garrison onto an interactive — and now mobile-friendly — web-portal called Army Family Web Portal.

Army Family Web Portal, which you can visit at <https://vmis.armyfamilywebportal.com>, is a comprehensive resource for military families, providing those new to the military community with information on Army-specific programs and instant access to online trainings.

The website is also home to the volunteer database known as the Volunteer Management Information System, or VMIS, where interested spouses, family members or retirees can search and apply for current volunteer opportunities on installations and interact with volunteer coordinators.

Much like an online job listing, VMIS demonstrates the community's demand for volunteer engagement and allows individuals to identify and pursue positions compatible with their background and objectives. Whether you are a young professional seeking office experience, a teenager looking to support the surrounding region, or a seasoned specialist, many on-post offices offer relevant opportunities and desperately depend on your support.

A bit of advice: When you do settle in a volunteer position, be sure your employer and you sign a [Volunteer Agreement \(DD Form 2793\)](#). This spells out your responsibilities. But more importantly, the fine print protects you “for certain purposes relating to compensation for injuries occurring during the performance of approved volunteer services.” Ensure everyone signs it and keep in your records.

Here's how to apply for a volunteer position using VMIS:

Step 1: Register for an Army Family Web Portal Account

- Go to <https://vmis.armyfamilywebportal.com/>
- Select "Register" at the top right
- Complete the registration form

TIP: *For subsequent account access, simply click "Login" at the top right*

Step 2: Access VMIS

Click "Volunteer Tools" from the top right

Step 3: Locate Your Installation

- Click "Advanced Search" to enter the garrison's name or, using the CONUS or OCONUS map, click the state or country where the garrison is located
- Identify your "Community" (ex: USAG Bavaria)

Step 4: Narrow the Search

- Choose the country or state of the installation from the "State/Region" drop box (ex: Germany or Armed Forces Europe)
- Enter the zip code of your installation in "Postal Code" (ex: 09114 for Grafenwoehr and 09112 for Vilseck)

TIP: *To explore numerous opportunities, select "All" for the Organization Group and Organization drop boxes*

Step 5: Apply

- Select the position of interest, review the job description and click "Apply" at the top right corner of the application.
- Fill out the application and click "Submit"
