School-Level Professional Opportunities

DoDEA does not post vacancy lists for open teaching positions.

1. United States (U.S.) citizenship.

2. Availability. Applicants can indicate geographic location preferences and will only be considered for the locations selected. Applicants should be available for immediate in-processing as soon as an employment offer is made, has been accepted, and the background security check has been favorably adjudicated. If you decline a Full-time, Permanent offer of employment, you will be removed from consideration for employment as an educator for the remainder of the school year, unless there is a critical need for services as determined by DoDEA.

3. Minimum Academic Preparation and Requirements. A baccalaureate degree from an institution accredited by a regional accrediting association is required. Academic preparation of at least 40 semester hours in general education course work distributed over such fields as English, history, social studies, mathematics, fine arts, languages, science, philosophy, and psychology is required. In addition, a minimum of 18 semester hours of professional teacher education course work in such areas as learning process, measurement, philosophy, psychology, social foundations, methods of teaching and curriculum applicable to the type and level of the position for which applying is required. (Note: Communications Impaired Teachers, School Nurses, School Psychologists, JROTC Instructors, and non-certified Training Instructors are excluded from the minimum academic preparation requirement.)

4. Student Teaching or an Internship. Student teaching or an internship as part of an approved teacher education program in an accredited U.S. institution is required. In the absence of an approved student teaching or internship program, applicants may be given credit for one year of successful full-time employment as an educator. Since that one year of employment substitutes for a course, no credit may be given for pay purposes. (Note: Communications Impaired Teachers, School Nurses, Guidance Counselors, School Psychologists, JROTC Instructors and non-certified Training Instructors are excluded from the student teaching requirement.)

5. Foreign Degrees and Course Work from Non-accredited Institutions. Foreign Degrees and Course Work from Non-accredited Institutions. Credits or degrees earned from a foreign college or university must be evaluated prior to acceptance. Three evaluation procedures are acceptable:

a. The work must be evaluated and interpreted by a current member of [National Association of Credential Evaluation Services \(NACES\)](#). This website provides a list of current organizations who can perform your evaluation. You must select and work directly with one of these organizations.

b. The foreign institution that awarded the degree is on a list endorsed by a regionally accredited university or on a list endorsed by a state department of education for the purpose of teacher certification in that state (this procedure will require an English translation of the transcript and a copy of the document awarding the degree, together with an authenticated list produced by an American university or a state department of education); and

c. The work may be evaluated by the graduate division of a regionally accredited university and declared the equivalent of similar undergraduate or graduate work in a U.S. institution.

Graduates of non-accredited institutions may have their undergraduate work validated by admittance to graduate school and completion of a minimum of 5 SH of credit in a regionally accredited graduate college.

6. State or Territory Certification/License. DoDEA offers full reciprocity for current and valid, unencumbered professional teaching licenses from any U.S. state, territory, or the National Board for Professional Teaching Standards (NBPTS) that is comparable to DoDEA certification areas. This means if your professional license from one of these places aligns with DoDEA's certification areas, DoDEA will accept it without additional requirements for initial licensing or additional certifications. Provisional, temporary, or emergency licenses are not eligible for this reciprocity. Eligible military spouses with current and valid unencumbered teaching licenses will be granted full reciprocity for certification areas comparable to DoDEA's.

7. DoDEA Licensure. There are three types of licenses issued to DoDEA employees:

a. **Emergency License:** This license is issued only when a fully qualified, licensed applicant is not available for the position, and the position is essential to the instructional program. It is valid for one school year but is seldomly used.

b. **Provisional License:** Newly hired educators (other than those who are issued an emergency license) will be issued a Provisional License. The Provisional License is valid for two school years. Requirements for the Professional License must be completed no later than the second school year of employment.

c. **Professional License:** Educators who have completed two years of successful teaching experience with DoDEA and meet all qualification requirements for certification will be issued a DoDEA Professional License.

8. Testing Requirements. Applicants must submit proof of achieving DoDEA minimum scores for the required test(s).

Non-Teaching Positions

There are many opportunities beyond serving as a classroom teacher, in which an individual can serve Department of Defense Education Activity (DoDEA) Schools. Staff and educational support positions are posted on [USAJobs.gov](https://www.usajobs.gov). These opportunities include, but are not limited to Educational Aides, Office Automation, Principals and Assistant Principals, ROTC Instructors, and Instructional System Specialists (ISSs).

Select jobs displayed on [USAJobs.gov](https://www.usajobs.gov) may be restricted to current DoDEA employees only. Please review the job announcements carefully; applications received that do not meet the stated requirements will not be evaluated or acknowledged.

Substitute Teacher/AVID Tutor/Training Instructor Positions

There are many ways in which an individual can serve DoDEA Schools. If you have achieved a high school diploma/GED or higher, you may apply to be a Substitute Teacher, AVID Tutor, or a Training Instructor. The availability and requirements for these opportunities vary.

Family Child Care (FCC)

The Family Child Care (FCC) program is an integral part of the Child and Youth Services (CYS) childcare system available on Army garrisons. FCC provides quality home-based care for children 4 weeks to 12 years old and is offered in government owned and government leased housing located on post.

FCC has unique qualities that make it a preferred choice for many Families. It offers flexible hours: full-day, part-day, extended /overnight, weekend and hourly care in a comfortable home setting. FCC also offers a 15% cost savings compared to Child Development Centers and School Age Care fees.

FCC Providers are vetted and only the best qualified candidates are recommended for certification. Providers must complete background checks and regular home inspections as a part of certification. They also receive paid ongoing training for professional development.

Army policy requires that anyone providing care on a regular basis for more than 10 hours per week must be certified through Child and Youth Services as an FCC provider.

Providing unauthorized childcare in government owned/leased housing puts you at risk of losing your housing privileges. Unauthorized childcare by an uncertified person puts your child at risk.

For more information on how to register your children in the FCC Program visit MCC.COM.

Announcing New Bonuses for FCC Providers!

We're offering two bonuses to qualified FCC providers!

Relocation Bonus: Up to a \$1000 relocation bonus will be provided to FCC providers who successfully relocate their home business to a gaining installation. Providers will receive payments over a twelve-month period. Payments will begin upon home certification and enrollment of at least two children who are unrelated to the provider. Payments will be disbursed monthly with an initial payment of \$120 and \$80 thereafter (for the next eleven months). If the home closes or certification is lost during this time, all remaining payments will be forfeited.

Recruitment Bonus: Up to a \$1000 recruitment bonus will be provided to FCC Providers who successfully open their homes. Providers will receive payments over a twelve-month period. Payments will begin upon home certification and enrollment of at least two children who are unrelated to the provider. Payments will be disbursed monthly with an initial payment of \$120 and \$80 thereafter (for the next eleven months). If the home closes or certification is lost during this time, all remaining payments will be forfeited. This is a one-time incentive.

BECOMING A VOLUNTEER

VOLUNTEER

Turns out, many organizations at U.S. Army Garrison Bavaria need help. Organizations such as your **Soldier Family Readiness Group**, **American Red Cross**, nearby **DoDEA Schools**, **USO**, **MWR** and the **Directorate of Human Resources** have volunteer openings ranging from assistant administration and leadership to after-school sports coaches and special events coordinators.

Many of these positions coincide with the work of paid employees and — often after demonstration of dedication and proficiency — evolve into employment.

These volunteer opportunities are regularly uploaded by organizations across the Bavarian garrison onto an interactive — and now mobile-friendly — web-portal called Army Family Web Portal.

Army Family Web Portal, which you can visit at <https://vmis.armyfamilywebportal.com>, is a comprehensive resource for military families, providing those new to the military community with information on Army-specific programs and instant access to online trainings.

The website is also home to the volunteer database known as the Volunteer Management Information System, or VMIS, where interested spouses, family members or retirees can search and apply for current volunteer opportunities on installations and interact with volunteer coordinators.

Much like an online job listing, VMIS demonstrates the community's demand for volunteer engagement and allows individuals to identify and pursue positions compatible with their background and objectives. Whether you are a young professional seeking office experience, a teenager looking to support the surrounding region, or a seasoned specialist, many on-post offices offer relevant opportunities and desperately depend on your support.

A bit of advice: When you do settle in a volunteer position, be sure your employer and you sign a [Volunteer Agreement \(DD Form 2793\)](#). This spells out your responsibilities. But more importantly, the fine print protects you “for certain purposes relating to compensation for injuries occurring during the performance of approved volunteer services.” Ensure everyone signs it and keep in your records.

VOLUNTEER

Here's how to apply for a volunteer position using VMIS:

Step 1: Register for an Army Family Web Portal Account

- Go to <https://vmis.armyfamilywebportal.com/>
- Select “Register” at the top right
- Complete the registration form

TIP: For subsequent account access, simply click “Login” at the top right

Step 2: Access VMIS

Click “Volunteer Tools” from the top right

Step 3: Locate Your Installation

- Click “Advanced Search” to enter the garrison’s name or, using the CONUS or OCONUS map, click the state or country where the garrison is located
- Identify your “Community” (ex: USAG Bavaria)

Step 4: Narrow the Search

- Choose the country or state of the installation from the “State/Region” drop box (ex: Germany or Armed Forces Europe)
- Enter the zip code of your installation in “Postal Code” (ex: 09114 for Grafenwoehr and 09112 for Vilseck)

TIP: To explore numerous opportunities, select “All” for the Organization Group and Organization drop boxes

Step 5: Apply

- Select the position of interest, review the job description and click “Apply” at the top right corner of the application.
- Fill out the application and click “Submit”
