E-Rider Safety Checklist

GEAR UP

- [ ] Helmet on. Strap it snug.
- [ ] Closed toe shoes. Pads are recommended.
- [ ] Bright and/or reflective clothing

CHECK THE RIDE

- [ ] Confirm battery level so your child does not “race home” when power drops.
- [ ] Be sure to have enough air in your tires.
- [ ] Test brakes and ensure that the handlebar feels tight and stable.
- [ ] Take a slow, brief ride to check that your e-ride is working properly.

RIDE SMART

- [ ] Start slow and build skill before speed.
- [ ] No Texting. Keep both hands on the handlebars.
- [ ] Obey traffic signals, signs, and posted speed limits.
- [ ] Watch for cracks, gravel, potholes, and wet leaves, where small wheels can catch.
- [ ] Avoid wearing earbuds. Stay Alert.

BE PREDICTABLE

- [ ] Slow down at driveways and intersections.
- [ ] Make eye contact with drivers before crossing.
- [ ] Signal turns and look over your shoulder before moving left or turning.
- [ ] Yield to pedestrians. Slow down and use an audible signal before passing.
