MEMORANDUM FOR US Army Fort Belvoir Personnel

SUBJECT: Fort Belvoir Policy Memorandum #4, US Army Garrison Fort Belvoir Army Combat Fitness Test (ACFT)

1. REFERENCE.

- a. FM 7-22 Holistic Health and Fitness. 01 October 2020
- b. ATP 7-22.01. Holistic Health and Fitness Testing. 01 October 2020

2. PURPOSE. This policy is intended to define appropriate locations for conducting the training and pre-tests required for the ACFT.

3. APPLICABILITY. This memorandum applies to all Army (active duty, guard, and reserve) personnel training on Fort Belvoir.

4. POLICY:

a. Fort Belvoir manages two designated AFCT testing / training locations. These are ACFT 1 (vic Goethals Rd. and Black Rd.) and ACFT 2 (vic 15th St. and Gunston Rd). ACFT 1 & 2 are reserved using the Range Facility Management Support System (RFMSS) at <https://rfmssbackup.belvoir.army.mil/belvoir/pages/login.aspx>.

1) Directorate of Plans, Training, Mobilization, and Security (DPTMS) is the overall coordinating/scheduling agency for the use of all training support facilities on the installation. When requests are incomplete or not received within a timely matter, the request may be returned to the unit without action at the discretion of the Chief of Operations.

2) Only two (2) personnel from a single unit can be granted scheduling rights in RFMSS.

3) RFMSS requests will include daily estimate of personnel to be trained and date/time required for training/testing.

4) FBVA DPTMS will approve requests and will allocate locations based on space/lane requirements and assets available. Submitting requests does not constitute

a reservation. A reservation exists only after a confirmation notice is sent and the area has been allocated by DPTMS.

b. Units may also conduct ACFT testing / training in unit areas or other open areas IAW Department of the Army ACFT guidance. Units will not conduct ACFT testing / training on MWR fields, recreation areas, parade fields or other areas indicated Off Limits according to Enclosure 1 (ACFT Off Limits Area Map).

c. Equipment:

(1). Units are responsible for providing ACFT equipment for training and testing. Units requiring equipment can coordinate with Headquarters Battalion (HQBN), USAG Belvoir by coordinating with the HQBN S3 (usarmy.belvoir.usag.mbx.hqbn-operations@mail.mil) to hand receipt ACFT equipment stored in the vicinity of ACFT 1. Equipment request are separate from ACFT training site requests and are first come-first serve.

(2). Equipment storage containers such as MILVANs, ISU90s, CONEXs, etc. will NOT be placed in parking areas or grassy area adjacent to ACFT 1 or 2.

d. Vehicles must remain on all marked roads and paved parking areas. Requests for an exception will be submitted to DPTMS for USAG Fort Belvoir. POC is Mr. Gary Branscum at 571-515-2087, or usarmy.belvoir.imcom-hq.list.mailbox-dptms-belvoir-ioc@mail.mil

5. PROPONENT. Garrison Command Sergeant Major at 703-805-2052.
