When birding on Fort Belvoir, please follow the Birding Code of Ethics:

1. Exercise restraint and caution during observation, photography, recording, or filming.
2. Avoid the use of recordings and other methods of attracting birds.
3. Keep distance from nests and nesting colonies, roosts, display areas, and important feeding sites.
4. Stay on designated trails to keep habitat disturbance to a minimum.
5. Follow all regulations governing the use of roads and public areas.
6. Respect the interests and rights of all other persons participating in other legitimate outdoor activities on the installation.

RELATIVE ABUNDANCE

Abundant: numerous individuals, easily seen or heard in suitable habitat

Common: likely to be seen or heard in suitable habitat

Uncommon: possible to see or hear in suitable habitat

Occasional: seasonally possible to see or hear in suitable habitat

Rare: unlikely to be seen or heard

* Species which nests or has nested on Fort Belvoir
