## RESCISSION OF GENERAL ORDER NUMBER 2 (GO2)

**TITLE:** COVID-19 Public Health Measures for Personnel within the Senior Responsible Officer (SRO) Authority of the Commander, 21st Theater Sustainment Command.

**PURPOSE.** This General Order identified conduct that is prejudicial to good order and discipline, health, and safety of all personnel within the 21st TSC SRO area of responsibility (AO). GO2 fulfilled the obligation to preserve military readiness and combat power of our forces and to protect the public health on our military installations and throughout our formation after a permissive holiday leave period.

**AUTHORITY.** Article II, NATO Status of Forces Agreement (SOFA), 19 June 1951; 10 U.S.C. Chapter 47 (Uniform Code of Military Justice); HQDA General Order No. 2008-01, General Court-Martial Convening Authority, 11 March 2008; Army in Europe Regulation (AER) 10-5, Organizations and Functions, 5 December 2019; AER 27-9, Misconduct by Civilians, 22 November 2011; AER 27-10, Military Justice and Legal Services, 19 August 2014; 21st TSC Supplement to AR 27-10, 16 January 2019.

**1. STATEMENT OF MILITARY PURPOSE AND NECESSITY.** Since the publishing of GO2 in January, the 7-day incident rate is trending in the right direction and there is a significant reduction in COVID positives across the SRO AO. The rescission allows commanders to provide guidance, and manage their formations on public health measures as conditions dictate in their specific AOs. Commanders need to be able to provide guidance consistent with their respective Host Nation laws and their own leave and pass policies.

**2. PUBLIC HEALTH MEASURES.** Public health measures enacted by host nation governments in response to COVID-19 will be obeyed on and off military installations.

**3. General Order 2 is rescinded.**
