

Restored as of 11 August

Civil Air Patrol Weekly Cadet Meetings Chièvres Air Base

Measures in place:

1. CAP Senior Members will use a forehead thermometer (already on-hand) to ensure that all cadets in attendance do not have a fever (> 100.4 F) before their parents depart
2. Hand Sanitizer will be used by all participants at the beginning of each activity and it will be reapplied at regular intervals
3. All equipment/surfaces will be wiped down with an antibacterial cleaner (provided by CAP) prior to use and at appropriate intervals during all activities
4. All sporting events will be conducted outdoors (On athletic or softball fields). No or low contact sports will be selected in order to further limit the possibility of COVID-19 transmission
5. CAP Senior members will ensure that 1.5 meter spacing is maintained
6. Cadets and Senior members will wear face/nose masks while conducting indoor training and during drill and ceremony activities
7. Cadets will be required to opt out of meetings/events – without penalty when they feel ill

Schedule

Wednesdays 1830-2030
