

## Restored as of May 22

### Vehicle Processing Center CAB

#### Measures in place:

1. Continue using the “by Appointment only” by phone/online or app.
2. Allow one customer in the building at a time to ensure social distancing
3. Emplace plexiglass shield / cough barrier
4. Hand Sanitizing station placed outside of entrance
5. Maintain the main door locked to avoid having more than 1 customer
6. Mandatory wear of mask for all staff and customers, use of hand sanitizing wipes at each step of the shipping process / wear gloves
7. Disinfect parts of vehicle touched by employee/truck driver prior to handing the keys to customers for incoming POVs and vice-versa for POVs going out
8. Utilize TF CLEAN to help sanitize the building
