

# Restored as of May 22

## Vehicle Processing Center Brunssum

### Measures in place:

1. Continue using the “by Appointment only” by phone/online or app.
2. ONLY allow customer in the building at the main entry and pick the customer up and walk straight to the VPC office
3. Obtain a Hand washing station from USAG Benelux for members’ use on their way in and out
4. Lock the main doors to avoid walk-ins
5. All doors inside the building are open so you don’t have to touch the door handle
6. Mandatory wear of mask for all, use of hand sanitizing wipes at each step of the shipping process
7. Disinfect parts of vehicle touched by employee prior to handing the keys to customers for incoming POVs and vice-versa for POVs going out
8. Hand Sanitizer for customer use at entry
