SUBJECT: USAG Benelux COVID-19 Policy Letter #1 -- COVID-19 Policy Guidance for the Garrison Community

1. The global pandemic caused by COVID-19 has thrust exceptional circumstances upon our community. These new, unprecedented circumstances and conditions require additional guidance to address our new situation.
2. Effective immediately, the Garrison will publish a series of guidance documents to define new standards of personal conduct, behavior, and norms that will be required when entering USAG Benelux sites, facilities, or when utilizing Garrison resources or participating in Garrison activities or services.
3. These documents will consist of, but not be limited to, policy letters similar to this to address key and specific aspects of Garrison and community functions, services and standards. Policy letters will be posted on the USAG Benelux website at <https://home.army.mil/benelux/index.php/about/us-army-garrison-policy-memorandums>. A Standard Operating Procedure (SOP) will be published to provide details associated with health protection measures. This SOP can be found on the USAG Benelux website at the COVID-19 link, <https://home.army.mil/benelux/index.php/my-fort/coronavirus-information> and on our U.S. Army Garrison Benelux Facebook page.
