

WEEKLY CAMP PAYMENT

Payment for your child's week of SAC Camp is required no later than the Monday the week prior to camp. If payment is not made, your child will be dropped from the program. Their space will be filled by someone else on the waitlist. Children must have a current CYS registration to enroll in camps.

OCCASIONAL USERS

Occasional user care is available upon request on a space-available basis. Occasional users may use no more than two (2) days per week. On the third day, the weekly camp fee will be charged in addition to the occasional user fee. Please contact the CYS front desk for information on occasional user fees and reservations. Multiple child discounts and Total Family Income categories do not apply to occasional users.

Welcome to SAC Summer Camp

An unforgettable adventure awaits!

One of our goals is to encourage children to experience independence by sharing responsibly with their parents.

Parents are responsible for checking their child's camp schedule to know field trip days, water play days, etc. Permission slips are required for each trip and special activity prior to departure.

Every day will be a fun-filled activity day. Children must be dressed in comfortable and appropriate play clothing. We suggest dressing in clothing and shoes that can easily be washed for all camps. Closed toe shoes are required. Open toe shoes are not permitted at the School Age Center for safety reasons. Exception: Water shoes may be brought to water play activities.

WEEK 1: CHEER CAMP

Get loud, get proud! Campers will learn basic cheerleading techniques, fun dance routines, and teamwork-building activities. This high-energy week promotes confidence, coordination, and school spirit in a fun and inclusive environment.

WEEK 2:

Gades K-2: 100 Acre Woods Adventure-Step into world of Winnie the Pooh. Children will explore friendship, imagination and the joys of nature.

Grades 3-5: Archery - Campers will learn proper archery form, focus techniques, and safety while building self-discipline and hand-eye coordination.

WEEK 3: LEGO ROBOTICS

This hands-on STEM week introduces campers to basic robotics and programming using LEGO kits. Participants will build and program their own creations to complete fun challenges, encouraging problem-solving, creativity, and teamwork.

WEEK 4: MYTHICAL CREATURES & MAGIC

Step into a world of enchantment where dragons, unicorns, and fairies come to life! Campers will create magical crafts, participate in fantasy storytelling, and explore science disguised as spell-making.

WEEK 5: SAFARI ROAD MAP

Go on a pretend safari across the continents! Explore world cultures and wildlife through games, crafts, and exciting global adventures, no passport required.

WEEK 6: MAD SCIENCE

A week packed with wacky experiments, and mind-blowing discoveries. Campers will become junior scientists as they test hypotheses, explore chemistry, and have fizzy, messy fun.

WEEK 7: THE GREAT OUTDOORS

Enjoy nature-based activities such as hiking, outdoor games, basic survival skills, and eco-exploration. This week encourages environmental awareness and fosters a love for the great outdoors.

WEEK 8: MASTERPIECE MAKERS

Unleash your creativity with painting, sculpture, mixed media, and collaborative art projects. This visual arts week allows campers to explore new materials, express themselves, and showcase their masterpieces.

WEEK 9:

Upcoming Kinders: Welcome to SAC! - A fun and gentle introduction to the School Age Program. Children will explore routines, meet new friends, and participate in welcoming games and activities.

Grades K-5: Project Runway - Design, create, and strut your stuff! Campers will use recycled and craft materials to develop fashion lines and put on an end-of-week runway show full of flair and creativity.
