rever 1. 5005 worm with the UCP need to be Army combat boots (hot weather or temperate weather) made of Coyote/Tan 499 rough side out cattle hide leather with a plain toe and tan rubber outsoles. The boots are laced diagonally with tan laces. Metal cleats and side tabs, and sewn-in or laced -in zipper inserts are not authorized. A rubber outsole is the only outsole material that currently meets the need for durability and fraction on surfaces. Soldiers may wear commercial boots of a design similar to that of the army combat boot (tan), 8 to 100 inches in height as authorized by the ARTB commander or ARTB CSM. The boots must be made of tan rough side out cattle hide leather, with a plain toe, and have a tan, rubber outsole.

Note 2. Any optional equipment noted during the initial inspection must also be present during the final inspection. MOLLE (Large rucksack with frame) are inventoried at the competition start, during, and finish. No items can be discarded if they become wet or damaged. Loss of any inspected item will result in a penalty that may include elimination from the competition. Note 3. Uniformal Boota/Issued equipment <u>MUST</u> be approved and the appropriate size to fit the wearer in accordance with AR-670-1 regulations at all times. <u>NO</u> alterations (cutting/stripping) of any uniforms/boots/military issued equipment will be authorized.
