Fort Bliss

Vision: We protect and sustain readiness, while preparing for the future, through disciplined initiative, reform, and innovation, to make Fort Bliss the station of choice.

Mission: Fort Bliss Garrison provides facilities and services through a professional workforce that assists units in sustaining their readiness and promotes a safe and secure installation, empowering Soldiers, Families, and Civilians to thrive.

“America’s Post”

Army Command Relationship

Department of the Army's mission is to deploy, fight and win our nation's wars by providing ready, prompt and sustained land dominance by Army forces across the full spectrum of conflict as part of the Joint Force.

Army Materiel Command (AMC) provides superior technology, acquisition support and logistics to ensure dominant land force capability for Soldiers, the United States, and our Allies.

Installation Management Command (IMCOM) integrates and delivers base support to enable readiness for a globally-responsive Army.

IMCOM-Readiness enables Garrison Commanders to provide Army priority-focused, standardized delivery of services and a balanced portfolio quality of life programs for Senior Commanders in support of Soldiers, Family and Civilians.

U.S. Army Forces Command (FORSCOM) trains, mobilizes, deploys, sustains, transforms, and reconstitutes assigned conventional forces, providing relevant and ready land power to combatant commanders.

III Corps is the world's premier mounted force, highly lethal, trained and ready to conduct sustained, expeditionary, operational maneuver anywhere in the world.

1st Armored Division (1 AD) – America's Tank Division "Old Ironsides" rapidly deploys in support of Unified Land Operations in order to deter or defeat our enemies. 1 AD is prepared to exercise mission command of Army, Joint and Multinational Forces as a U.S. Division, or Joint Task Force.

Fort Bliss Garrison is a Strategic Deployment Platform that executes deployment operations enabling rapid and efficient unit deployment and re-deployment. Simultaneously, Fort Bliss Garrison provides facilities and services through a professional workforce that assists units in sustaining their readiness and promotes a safe and secure installation, empowering Soldiers, Families, and Civilians to thrive.

General Officer Units

1st Armored Division (1AD): Assigned to U.S. Army Forces Command (FORSCOM). Known as “Old Ironsides,” the 1AD is commanded by an Army two-star general. The Division rapidly deploys in support of Unified Land Operations in order to deter or defeat our enemies and on order, redeploys. 1AD is prepared to exercise mission command of Army, Joint, and Multinational Forces as a U.S. Division, or Joint Task Force. It is the largest unit on post with approximately 18,000 personnel.

Joint Task Force (JTF) North, a joint service command, supports federal law enforcement agencies in the conduct of counterdrug/counter transnational organized crime operations and facilitates DoD training in the United States Northern Command (USNORTHCOM) area of responsibility to disrupt transnational criminal organizations and deter their freedom of action in order to protect the homeland and increase DoD unit readiness.

32d Army Air and Missile Defense Command (AAMDC) is a theater level Army air and missile defense multi-component organization with a worldwide, 72-hour deployment mission. It is the Army Forces and Joint Forces Land Component Commanders' (ARFOR / JFLCC) organization that performs critical theater air and missile defense planning, integration, coordination, and execution functions.

Joint Modernization Command (JMC) plans, prepares, and executes Joint Warfighting Assessments and other concept and capability assessments, provides objective analysis and feasible recommendations to enhance Multi-Domain Command and Control and inform Army Modernization decisions. On order, JMC conducts directed assessments in support of Cross Functional Teams.

Unit Information – 1st Armored Division

1st Brigade Combat Team, 1st Armored Division (“Ready First”) is prepared to deploy, conduct decisive and sustainable land operations in support of a division, Joint Task Force, or Multinational Force. The Brigade will be trained and ready to conduct decisive action as part of Combined Arms Maneuver or Wide Area Security operations IOT disrupt or destroy enemy military forces, control land, and be prepared to conduct combat operations to protect U.S. national interests.

2d Brigade Combat Team, 1st Armored Division (“Strike”) is prepared to deploy, conduct decisive and sustainable land operations in support of a division, Joint Task Force, or Multinational Force. The Brigade will be trained and ready to conduct decisive action as part of Combined Arms Maneuver or Wide Area Security operations IOT disrupt or destroy enemy military forces, control land, and be prepared to conduct combat operations to protect U.S. national interests.

3d Brigade Combat Team, 1st Armored Division (“Bulldog”) is prepared to deploy, conduct decisive and sustainable land operations in support of a division, Joint Task Force, or Multinational Force. The Brigade will be trained and ready to conduct decisive action as part of Combined Arms Maneuver or Wide Area Security operations IOT disrupt or destroy enemy military forces, control land, and be prepared to conduct combat operations to protect U.S. national interests.

Combat Aviation Brigade, 1st Armored Division (“Iron Eagles”) conducts aviation operations to support geographic combatant commanders conducting unified land operations.

1st Armored Division Artillery (“Iron Steel”) provides direct support, precision strike, and Joint Fires capability to the 1st Armored Division for Unified Land Operations in support of the Division’s contingency operations. 1AD DIVARTY provides trained and ready fire support forces and assists BCT Commanders in training their fire support systems.

Sustainment Brigade, 1st Armored Division (“Muleskinners”) provides mission command of assigned, attached, and OPCON Echelons Above Brigade sustainment units and synchronize distribution and sustainment operations in support of 1st Armored Division, and other aligned units. On order, rapidly deploy to designated contingency areas; receive, integrate, and provide mission command of sustainment units providing operational and tactical sustainment; and perform theater opening, theater distribution, and sustainment operations in support of Unified Land Operations.

Additional Unit Information

NCO Leadership Center of Excellence (NCOL CoE) acknowledged as the world's premiere accredited academic institution for noncommissioned officers aligned under Army University and the Combined Arms Command, with additional reporting to Training and Doctrine Command. Provides professional military education to DoD and allied noncommissioned officers to meet the challenges of an increasingly complex world while developing disciplined, fit, and well-educated leaders.

11th Air Defense Artillery Brigade ("Imperial" Brigade) strategically deploys combat-ready units globally in support of the 32d AAMDC to conduct joint and combined air and missile defense operations in order to protect the Combatant Commander's critical priorities. O/O, conducts reset and training of Patriot, Avenger, Iron Dome, and Theater High Altitude Air Defense (THAAD) units

William Beaumont Army Medical Center (WBAMC) delivers quality healthcare to Soldiers and beneficiaries at Fort Bliss to sustain a Ready Force; every encounter, every day.

5th Armored Brigade plans, coordinates, synchronizes, and supports the pre/post mobilization training and demobilization of Army National Guard and United States Army Reserve units in order to provide trained and ready forces for worldwide contingencies. On order, deploys exportable OC/T teams in support of the Army Total Force Policy.

CONUS Replacement Center receives, processes, equips, and conducts Theater Specific Individual Requirements Training (TSIRT) for military Non-Unit Related Personnel (NRP), Department of Defense (DoD) Civilians, and Non-Logistics Civil Augmentation Program (Non-LOGCAP) Contactors deploying to and redeploying from theaters of operations in support of overseas contingency operations

Army Field Support Battalion (AFSBn) is a critical element in the transformation of Army logistics, providing a "single face to the field," to the Army's finest warfighters. Responsible for enhancing the readiness of Active, Reserve and National Guard units and continuously synchronizing the distribution of sustainment materiel and force projection at the Installation and field level in order to support the Materiel Enterprise and combat readiness of supported units and contingency operations.

Network Enterprise Command defends the security of the Army Global Network Construct, provides transparent delivery of Command, Control, Communications and Computer (C4) Information Technology (IT) services to customers.

Mission and Installation Contracting Command delivers the power of Army contracting within the continental United States Strategic Support Area for Army forces to ensure globally dominant land force capability.

Population

Infrastructure

- DoD's second largest installation at 1.12M acres; abuts the largest, White Sands Missile Range
- Maneuver acreage (Heavy and Light): 924,640.2 acres
- Only Digital Air-Ground Integration Range (DAGIR) built to full Army specifications
- Longest runway in the Army, 8th in DoD
- William Beaumont Army Medical Center (WBAMC) is a Level III Trauma Center. It has 135 beds, 10 operating rooms, and 30 primary/specialty clinics with 269 exam rooms.
- One of the largest single solar residential community in the continental US (4K+ homes) with potential to expand.
- Total building Gross Square Footage (GSF) (less housing): 24,499,406 SF; 2,139 total buildings

Readiness is Fort Bliss

- Home of America's Tank Division, 1st AD (One of 11 active divisions in the Army)
- Largest Mobilization Force Generation Installation (MFGI) in DoD. One of the largest Power Projection Platforms in the Army
- Home to the Army's ONLY CONUS Replacement Center (CRC)
- Interagency operations: (El Paso Intelligence Center (EPIC), Joint Task Force North (JTF-N), Department of Homeland Security (DHS))
- Joint Modernization Command (JMC) (Futures Command) conducts Joint Warfighter Assessments / Enhance Multi-Domain C2 / Informs Army Modernization
- Ability to fire any weapon (pistol to missile)
- General number and variety of assets on the installation:

Equipment	On Hand
Tanks	260
Infantry Fighting Vehicles	570
Artillery	50
Helicopters	100
Wheeled Vehicles	3,000

Total Area - 1.12 Million acres
(1,760 square miles)

Readiness - Training

- Support to multinational training – Japanese, British and Saudi Arabia
- Largest maneuver training space in the U.S. Army
- Three complete major range complexes (We own land, manage air, and spectrum)
- Major US Air Force training center
- Fort Bliss has trained Units/Soldiers/Civilians from all 50 U.S. States, D.C., and 4 of 5 U.S. territories.
- One of two locations in the DoD that has the terrain to enable aviation units to conduct High Altitude Mountain Environment Training (HAMET)
- 82 total training ranges located in both Texas and New Mexico and 3 Major Range Complexes

Readiness - Training

Five major training facilities:

- Training Support Center (TSC): Provides the regional Area of Operations (AoR) with Training Aids Devices Simulators and Simulations (TADSS)
- Close Combat Trainer: 14 M1A2V2 Abrams and 16 M2A3 Bradley vehicle simulators, 4 High Mobility Multipurpose Wheeled Vehicle (HMMWV) modules.
- Simulation Center: Supports simulations and simulators for Division Artillery, Virtual Battle Space Training for all units, Urban Rifle Marksmanship, and Engagement Skills Trainer (EST) 2000-Virtual ranges which has 80 lanes that replicate small arms to large machine gun.
- Gooding Instructional Facility (GIF): Supports Troop Schools and Soldier academic training for all units on Fort Bliss
- Mission Training Complex (MTC): Provides individual and collective training to units using live, virtual, and constructive methods for Army Battle Command Systems

Readiness - Rail Yard

The Fort Bliss Railhead is a fast, efficient and safe operation which consists of a rail facility, marshalling yard, staging area with 7 loading spurs capable of loading 16-31 railcars each, 2 heavy Loading Ramps, 5 Rolling Stock Ramps, and 7 classification tracks capable of storing 26-47 Rail cars each.

Personnel can process up to ~228 rail cars in a 24 hour period.

Readiness - Airfield

Fort Bliss Biggs Army Airfield (BAAF) is the Army's largest airfield which serves as an aerial port of embarkation/debarkation for the Fort Bliss Power Projection Platform. BAAF provides full airfield services for all categories of military and civilian aircraft. The airfield has an air terminal, Arrival/Departure Airfield Control Group (A/DACG), that processes troop, units, military sponsored personnel, and unit equipment for air travel departure or arrival. With a class 'B' 13,554 foot long runway, BAAF can accommodate any commercial or military aircraft in the inventory. BAAF was selected to receive the 2023 Army Aviation Association of America (AAAA) "Air Traffic Control Facility of the Year".

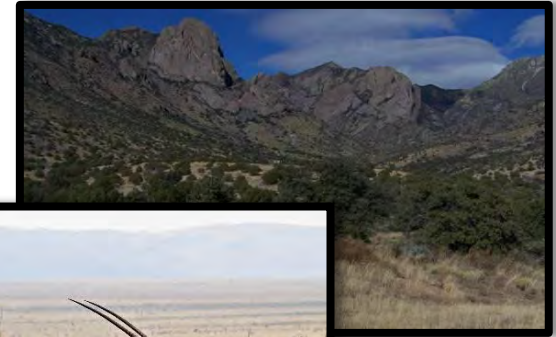

Readiness - Energy and Water Resiliency

- **Installation Energy and Water Plan (IEWP):** Identifies mission critical assets and provides a road map that ensures the ability to sustain Critical Missions in the event of energy/water disruptions.
- **Energy Diversity:**
 - ✓ **Solar Energy:** 6.2 Megawatts of government owned solar arrays and 13.9 Megawatts of Residential Community Initiative (RCI) privatized housing solar arrays on the installation
 - ✓ **Wind Energy:** Exploring alternative wind generation. 'Urban Wind Generators' and other gusting and turbulent wind generators
- **Water Resilience:** Leader in water conservation since 2007. Fort Bliss partnered with El Paso Water Utilities (EPWU) on the construct of the largest inland desalination plant in the world on the installation. Expansion to increase capacity of the Kay Bailey Hutchison Desalination Plant is scheduled for 2025. An Advanced Water Purification Facility will contribute further potable capacity in (est.) 2028. Hueco Bolson Outlook: Recent report indicates water availability for 300 years. (*EPWU 2024 Our Secure Water Future)
- **Energy and Water Relationships:**
 - ✓ **Utility Energy Services Contract** established with New Mexico Gas to develop a potential task order for conservation measures to support IEWP goals.
 - ✓ **Privatized Utility Providers Capital Improvement Program** alignment to address IEWP targets as well as Energy Resilience Conservation Investment Program (ERCIP), and draft MCA/MILCON projects all targeting IWEPR requirements.
- **Qualified Recycling Program (QRP):**
 - ✓ Quarterly challenge to promote healthy recycling habits on the installation
 - ✓ Extra credit can be earned by scheduling recycling training for the unit
 - ✓ High points equates to \$3,000 prize to unit funds

Environment

- Fort Bliss exhibits a high degree of biodiversity due to its varied topography and large size.
- Plant communities on the installation range from the Chihuahuan Desert plant in the Tularosa Basin to Rocky Mountain Conifer Forests in the Organ Mountains.
- Approximately 344 species of birds, 58 species of mammals, 39 species of reptiles and 8 species of amphibians reside on Fort Bliss land.
- Fort Bliss has 20,000 Archeological sites and ensures compliance with the federal preservation regulations through implementation of the Cultural Resource Management Plan (ICRMP), the Programmatic Agreement (PA), restricted zones and Tribal consultation with 7 tribes.

Supporting Army's Modernization Strategy

Fort Bliss is an exceptional installation at the forefront of the evolution and development of the Army's future force model as a Multi-Domain Operation (MDO). As the Army builds its modernization strategy, Fort Bliss will be an essential component to the MDO concept and is ready to respond and operate in a contested homeland environment. Fort Bliss is the largest of the Army's two Mobilization Force Generation Installations (MFGI) supporting current unit and individual mobilizing and demobilizing missions.

Fort Bliss – Mobilization Enterprise

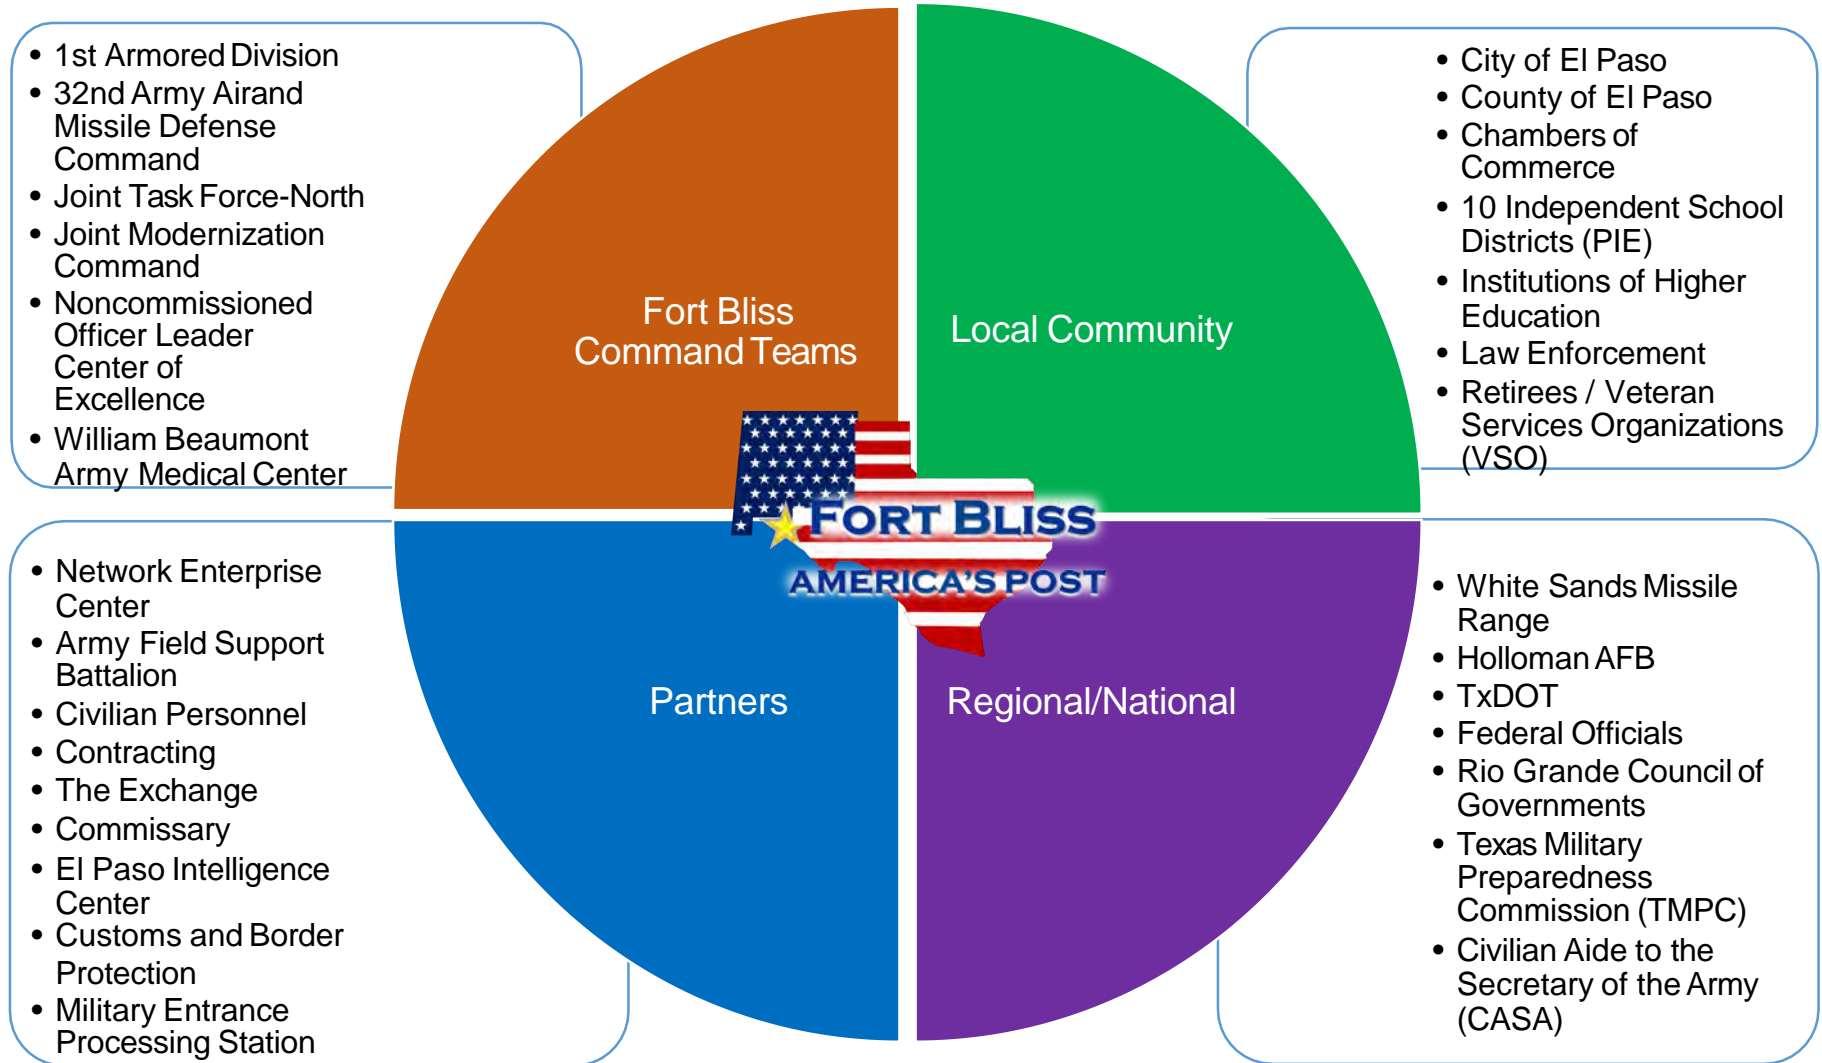

As an JMFGI, Fort Bliss supports First Army for the mobilization, life support, training and validation, deployment, redeployment and demobilization of National Guard (NG) and Reserve Component (RC) units. Fort Bliss is also the only installation with a Continental United States (CONUS) Replacement Center (CRC). This makes Fort Bliss the only Joint Mobilization Force Generation Installation (JMFGI) in the Army. The Fort Bliss, CRC processes members across several agencies: Army, Navy, Air Force, Marines, Red Cross, FBI, Border Patrol, DOD Civilians and Contractors. These personnel support missions across 5 continents: North and South America, Africa, Europe, Asia. 32 Countries in all.

**Fiscal Year (FY) 1 Oct – 30 Sep / FY 24 reflects :as of" date*

Community Support and Partnerships

Garrison Integrates and Partners Across a Broad Spectrum

Community Partnerships

Fort Bliss has a total of 185 Memorandums of Understanding (MOU)/ Memorandums of Agreement (MOA) / Support Agreements and continues to expand its partnership efforts to encompass a larger area of the southwest region through the execution of Intergovernmental Support Agreements (IGSA's)

- Partnership with 10 independent school districts to deliver the guiding principles for transitioning military connected students to sustain partnerships that serve as extraordinary models that exemplifies partnerships, flexibility, inclusiveness, and information sharing for all students that serve high school-age military-connected students.

Kay Bailey Hutchison Desalinization Plant and El Paso Water TechH2O Center

- Fort Bliss partners with the El Paso Hispanic Chamber of Commerce, Women's Business Border Center (WBBC) to support women of all social and economic levels with free confidential business counseling to promote the growth of women-owned businesses in the El Paso area. The WBBC is one of only four organizations in the country with the designation to certify for the women's federal contracting program through the Small Business Association.

The Rio Grande
Council of Governments

- Fort Bliss partners with the Rio Grande Council of Governments which serves: 7 counties (Brewster, Culberson, Dona Ana, El Paso, Hudspeth, Jeff Davis, Presidio) and the Tribal nation of Ysleta del Sur Pueblo; 15 cities; 21 School Districts, 3 Special Districts; 10 Chambers of Commerce, 5 Universities/Colleges; 6 TX Legislators, 14 NM Legislators and 7 Federal Legislators.

Community Partnerships

- Contingency Locating for Off-Site Emergency Family Assistance Center - establishes an alternate location that serves as the central point for providing services to Family Members and Soldiers during mobilization, deployment, or a declared emergency.
Partner: Armed Services Young Men's Christian Association (YMCA)

- The Workforce Center for Military, Military Spouses and Family Members is a partnership with El Paso Workforce Solutions Borderplex (WFSBP), to provide free services to Soldiers, Military Spouses, and Family Members to seek employment by using employment services and software programs. WFSBP has serviced over 4,600 Service Members and Military Spouses combined, and obligated over \$39M to education, career and skills training, and quality of life programs that enhance the lives of Service Members and Civilians.

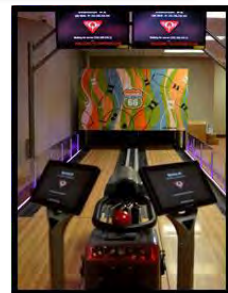

Quality of Life

- World class 1.13 million square foot Facility William Beaumont Army Medical Center.
- One of newest/largest Defense Commissary Agency (DeCA) facilities.
- Fort Bliss is home to one of the largest Army and Air Force Exchange Service (AAFES) operations worldwide.
- Freedom Crossing, anchored to the Main Exchange is the first open-air shopping center on a military installation that is open to the public. Free summer concert series and special events are offered throughout the year.
- Religious Support: 7 Chapels, religious activity center, offers variety of religious services to include Catholic, Liturgical, Protestant, Gospel, Contemporary, Jewish programs, Samoan, Buddhist, Muslim & Latter-day Saints.
- Financial Facilities (First Light Federal Credit Union)
- Multiple United Services Organization (USO) facilities located on the installation (one located inside First Light Credit Union)
- Lodging (Holiday Inn Express and Candlewood Suites)
- Construction began on 14 Feb 24 for the install of ten new cell towers

Quality of Life – Morale Welfare & Recreation

- Largest bowling facility in the Army (52 lanes)
- Largest banquet center in the Army (Centennial Banquet & Conference Center) – with a Samuel Adams Pub
- 9 physical fitness centers, with one of the largest in the Army
- 6 pools and an aquatic center (50,000 SF facility with an Olympic size pool, multi-purpose pool with climbing wall and diving well pool.)
- Soldier Activity Center – First of its kind, 25,000 SF offering: high ropes course (only course in the Army), climbing wall, outdoor pool, recreation room, PC center, and game room
- Warrior Zone provides Soldiers entertainment opportunity on post – equipped with six pool tables, two mini-bowling lanes, a gaming center, outdoor basketball, sand volleyball and other amenities
- Education opportunities: Over 14,000 military connected students, Military Family Life Consultants embedded in 10 campuses within the city
 - ✓ El Paso Independent School District has five schools located on Fort Bliss property (4 elementary and 1 high school).
 - ✓ Installation supported by 10 school districts in Texas and New Mexico

Quality of Life – Morale Welfare & Recreation

- Arts and hobby shop
- Auto crafts
- Fort Bliss Library services include: The Maker space providing use of 3D printer, robotics lab, music making, sewing machines, button maker, and more for the family
- Parks and Fields
- 5 Child Development Centers / 2 School-Age Centers / 2 Youth Centers
- SKIES Unlimited – Offers variety of classes (gymnastics, dance, piano, art, guitar, mommy and me, etc.)
- Underwood Golf Complex – Two 18-hole courses and pro-shop
- Youth Sports Plex
- Rod and Gun Club (best trap & skeet ranges in tri-state area, 10 diverse ranges, 3-D archery range)
- RV Park and Family Campground
- 2 RV Storage areas
- 18 Family Child Care Homes

- Soldier Recovery Unit (SRU):
 - ✓ Houses up to 232 wounded warriors in transition
 - ✓ Consists of barracks, admin building, and Soldier Family Activity Center

Quality of Life- Soldier & Family Support Programs

- Applied Suicide Intervention Skills Training (ASIST)
- Army Community Service (ACS)
- Army Continuing Education System (ACES)
- Army Emergency Relief (AER)
- Army Family Team Building (AFTB)
- Army Substance Abuse Program (ASAP)
- Army Volunteer Corps (630 active volunteers / 2.5 million in volunteer hours)
- Better Opportunities for Single Soldiers (BOSS)
- Casualty Assistance Center (CAC)
- Employment Readiness Program (ERP)
- Exceptional Family Member Program (EFMP)
- Family Advocacy Program (FAP)
- Family Resilience Center (FRC)
- Family Life Chaplain
- Chaplain-Unit Ministry Teams
- Financial Readiness Program (FRP)
- Leisure Travel Services
- Mobilization, Deployment & Support Stability
- Passport Services
- Relocation Readiness
- Resilience Training
- Retirement Services
- Sexual Harassment / Assault Response Program
- Soldier Family Readiness Groups (SFRG)
- Survivor Outreach Services (SOS)
- Transition Assistance Program (TAP)
- Tennis Club and Fitness Zone
- Veterinary Services

Fort Bliss - Housing

Balfour Beatty Communities (BBC) – Management Corporation

Total Family homes 4,228

Total Square Footage: 6,300,000

Homes:

- 7 General Officer
- 124 Field Grade
- 271 Company Grade
- 705 Senior NCO
- 3,121 Junior NCO
- 5 Community Centers with Pools/Splash Parks/Playgrounds
- Over 4,000 homes equipped with solar panels (some of the highest rated energy efficient homes in the Army).

Fort Bliss Army Barracks Management Program

- ✓ Army Barracks Management Program (ABMP) is part of the Army plan to improve the quality of life for single Soldiers and to standardize the management of barracks Army-wide.

Goals include:

- Improving barrack utilization rates
 - Managing vacant barracks space during deployment
 - Reducing maintenance response times
 - Decrease building damages
 - Extend the life of the facilities
-
- ✓ **Mission:** Provide quality, troop-ready barracks and enhanced customer service for Fort Bliss Soldiers. Ensure only clean, safe and secure facilities are offered. Build effective, mutually beneficial relationships with leadership and units across Fort Bliss.
-
- ✓ Fort Bliss has a total of 10,068 unaccompanied barrack spaces
-
- ✓ Detailed Inspection Plan (DIP) allows for standardization of the inspection process and highlights accountability to adhere to the ABMP.
