OLD IRONSIDES
SOLDIER’S CREED

I am an American Soldier.

I am a Warrior and a member of a team.

I serve the people of the United States, and live the Army Values.

I will always place the mission first.

I will never accept defeat.

I will never quit.

I will never leave a fallen comrade.

I am disciplined, physically and mentally tough, trained and proficient in my warrior tasks and drills.

I always maintain my arms, my equipment and myself.

I am an expert and I am a professional.

I stand ready to deploy, engage, and destroy, the enemies of the United States of America in close combat.

I am a guardian of freedom and the American way of life.

I am an American Soldier.
NCO CREED

No one is more professional than I. I am a Noncommissioned Officer, a leader of soldiers. As a Noncommissioned Officer, I realize that I am a member of a time honored corps, which is known as "The Backbone of the Army". I am proud of the Corps of Noncommissioned Officers and will at all times conduct myself so as to bring credit upon the Corps, the Military Service, and my country regardless of the situation in which I find myself. I will not use my grade or position to attain pleasure, profit, or personal safety.

Competence is my watch-word. My two basic responsibilities will always be uppermost in my mind. Accomplishment of my mission and the welfare of my soldiers. I will strive to remain tactically and technically proficient. I am aware of my role as a Noncommissioned Officer. I will fulfill my responsibilities inherent in that role. All soldiers are entitled to outstanding leadership; I will provide that leadership. I know my soldiers and I will always place their needs above my own. I will communicate consistently with my soldiers and never leave them uninformed. I will be fair and impartial when recommending both rewards and punishment.

Officers of my unit will have maximum time to accomplish their duties; they will not have to accomplish mine. I will earn their respect and confidence as well as that of my soldiers. I will be loyal to those with whom I serve; seniors, peers and subordinates alike. I will exercise initiative by taking appropriate action in the absence of orders. I will not compromise my integrity, nor my moral courage. I will not forget, nor will I allow my comrades to forget that we are professionals, Noncommissioned Officers, leaders!
“Iron Soldiers March”

Iron Soldiers, Old Ironsides,
First Armored Division, honor and pride.
Guarding freedom we’re proud to be, America’s tank force, Steel Victory!
With that Iron patch worn on my sleeve,
I join with those who fight for liberty!
Always ready, for peace we strive,
Iron Soldiers,
Old Ironsides.

Army Song
"The Army Goes Rolling Along"

March along, sing our song, with the Army of the free.
Count the brave, count the true, who have fought to victory.
We’re the Army and proud of our name!
We’re the Army and proudly proclaim:

First to fight for the right,
And to build the Nation’s might,
And the Army goes rolling along.
Proud of all we have done,
Fighting till the battle’s won,
And the Army goes rolling along.

Then it’s hi! hi! hey!
The Army’s on its way.
Count off the cadence loud and strong:
For where’er we go,
You will always know
That the Army goes rolling along.
I am an American, fighting in the forces which guard my country and our way of life. I am prepared to give my life in their defense.

II

I will never surrender of my own free will. If in command, I will never surrender the members of my command while they still have the means to resist.

III

If I am captured, I will continue to resist by all means available. I will make every effort to escape and aid others to escape. I will accept neither parole nor special favors from the enemy.

IV

If I become a prisoner of war, I will keep faith with my fellow prisoners. I will give no information or take part in any action which might be harmful to my comrades. If I am senior, I will take command. If not, I will obey the lawful orders of those appointed over me and will back them up in every way.

V

When questioned, should I become a prisoner of war, I am requires to give name, rank, service number and date of birth. I will evade answering further questions to the utmost of my ability. I will make no oral or written statements disloyal to my country and its allies or harmful to their cause.

VI

I will never forget that I am an American, fighting for freedom, responsible for my actions, and dedicated to the principles which made my country free. I will trust in my God and in the United States of America.

PERSONNEL FINANCIAL READINESS

Basic Pay- Pay for soldiers on active duty or inactive duty for training.

Hazardous Duty Pay- Incentive pay for performing hazardous job such as flight duty, demolition duty, parachute duty, submarine duty, flight check duty, and experimental stress.

Diving Pay- Special pay for enlisted and officers performing diving as part of their jobs.

Foreign Pay- Special pay for enlisted soldiers working in certain overseas areas such as Korea and some places in Germany and Japan.

Overseas Pay- Incentive pay for soldiers in specific skills and grades to extend their tour overseas. DA Circular 614-81-1 contains specific information.

Hostile Fire Pay- Special pay for soldiers normally serving in designated hostile fire areas, not during time of declared war. Examples of past hostile fire areas are Vietnam and Cambodia. Also, soldiers subjected to hostile fire may be individually certified under AR 37-104-3.

Proficiency Pay- Special pay for serving in critical skills or special assignments. Three areas of pro-pay include: shortage specialty pay, special duty assignment pay, and superior performance pay. Currently, only Drill Sergeants, Career Counselors, and Recruiters receive special duty pay.

Aviation Pay- Incentive pay for aviation officers and warrant officers to encourage continued service in aviation.

Medical Pay- Special pay for health professionals.

Bonuses- Special pay for enlistments and reenlistment of members in the Active and Reserve components. Bonuses are determined by the needs of the Army.

Aviation Career Officers Pay- Special pay for aviation officers who extend duty by written agreement.

Basic Allowance for Subsistence- An allowance for meals. Paid automatically to officers. Paid to enlisted members when authorized to mess separately, or when it is impractical or impossible to provide rations in kind (food provided by the Army). Those who are authorized to live outside the barracks generally are authorized BAS.

Basic Allowance for Housing- A housing allowance for those authorized to live off-post or for the support of dependents. Soldiers with dependents, unless they live in government quarters, receive BAH. Also eligible: soldiers without dependents and adequate government quarters are not available and all single officers and NCO’s in pay grade E-7 and above if they decline bachelor quarters. A partial without dependents rate is paid to single soldiers living in government quarters. This pay offsets the loss of basic pay from the relocation of pay into allowances in 1977 and 1978. Other unique situations may entitle a soldier to BAH.

Variable Housing Allowance- The difference between BAH and the actual cost of housing. Paid to soldiers in CONUS who draw BAH and live in an area where the average rent is at least 15% more than their BAH. Soldiers serving unaccompanied overseas tours and whose dependents don’t live in government quarters are paid VHA at the rate for the area in which their dependents live.

Cost of Living Allowance- Paid to soldiers stationed overseas to offset the expense of living in an overseas area where the goods and services are higher than in the United States. COLA is determined by the difference between the US and foreign currency exchange rates.

Overseas Housing Allowance- Helps make up the difference between BAH and the average housing cost in an overseas area. For soldiers living in non-government housing outside of CONUS. Under this program, soldiers whose rent is within established rental caps are reimbursed their actual rental cost plus a monthly utility allowance and start up/terminal occupancy cost.

Clothing Allowance- Allowance paid to personnel beginning their seventh month of active service to replace uniforms. The allowance is paid to the soldier each year on the first of the month, following the month in which the soldier came into active service.

Family Separation Pay- Paid to soldiers separated from dependents for 30 or more continuous days, because dependents are not allowed to accompany them on TDY or PCS. Allowance is paid to defray unexpected expenses. Type 1 is paid to soldiers regardless of rank when the soldier is permanently assigned outside of the United States, or in Alaska, when movement of dependents at government expense is not authorized, and government quarters are not available. Type 2 is paid to soldiers where dependents travel at government expense if not authorized either in CONUS or overseas.
Sexual assault is the most under-reported crime in our society and in the Military. While the Department of Defense prefers unrestricted reporting of sexual assaults to activate law enforcement actions, it recognizes that some victims desire only medical, legal, advocate, and support services and no command or law enforcement involvement. DoD believes its first priority is to protect the victims; treat them with dignity and respect; and to provide them with the medical treatment, legal assistance, victim assistance, care, and counseling that they deserve. Under DoD’s Confidentiality Policy, sexual assault victims are offered two reporting options:

<table>

**Understanding DOD's Restricted Reporting Policy**

DOD’s Confidentiality Policy permits victims of sexual assault to report the crime to specified individuals who can then ensure the victim receives medical care, SARC/SHARP Specialist or VA/SHARP Specialist assistance, treatment, and counseling without notifying command or law enforcement officials.

Covered individuals include the SARC/SHARP Specialist, VA/SHARP Specialist, and certain healthcare providers. For purposes of public safety and command responsibility, the SARC/SHARP Specialist will notify the senior commander that an assault has occurred and provide details that will not identify the victim.

This policy provides victims some personal space and time and increased control over the release and management of their personal information. It empowers them to seek relevant information and support to make informed decisions about whether to participate in a criminal investigation.

Even if the victim chooses not to pursue an official investigation, this additional reporting avenue gives commanders a clearer picture of sexual assault trends within their command and enhances a commander’s ability to provide an environment that is safe and contributes to the well-being and mission readiness of all of its members.
SEXUAL HARASSMENT

Sexual Harassment is a form of sex discrimination that involves unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to or rejection of such conduct by a person is made either explicit implicit, a term, or condition of a person’s job, pay, or career.

2. Submission to or rejection of such conduct by a person is used as a basis for career or employment decisions affecting that person.

3. Such conduct interferes with an individual’s performance or creates an intimidating, hostile, or offensive environment.

Any person in a supervisory or command position who uses or condones implicit sexual behavior to control, influence, or affect the career, pay, or job of military member or civilian employee is engaging in sexual harassment. Similarly, a military member or civilian employee who makes deliberate or repeated unwelcome verbal comments, gestures, or physical contact of a sexual nature, is also engaging in sexual harassment.

Any soldier or family member who feels they have been sexually harassed, has the responsibility to make it clear the behavior is offensive and to report the incident to their chain of command. If the soldier or family member feels it would be in their best interest to report the incident directly to the Brigade Equal Opportunity Advisor for fear of retribution, they should do so.

The chain of command has the inherent responsibility to act swiftly, fairly, and decisively for incidents of sexual harassment. These actions will promote cohesion, unit readiness, and mission accomplishment.
SEXUAL ASSAULT

If the Commander believes a Soldier is going to report a Sexual Assault, CDR should STOP questioning and explain the difference between a restricted and unrestricted report.

With the Victims Consent: DONOT:
- Bathe
- Brush Teeth
- Use Bathroom
- Smoke
- Use Mouthwash
- Change Clothes
- Douche

If Victim tells the CDR that he/she was sexually assaulted, it is not an unrestricted report, CDR is required to report

Report to:
- Chain of Command
- Law Enforcement
- CID
- Crisis Line
- Healthcare Provider

CDR must initiate a no contact order between the Subject and Victim

Sexual Assault vs Sexual Harassment

Sexual assault and sexual harassment are not the same, although they are related to each other.

Sexual Assault — Refers specifically to rape, forcible sodomy, indecent assault, or attempts to commit these acts as defined by the Uniform Code of Military Justice. Sexual Assault must involve physical contact, while Sexual Harassment can involve physical contact, it can also refer to verbal or other gender discrimination of sexual nature. Sexual assault is a crime punishable under UCMJ.

Sexual Harassment — Is a form of gender discrimination that involves unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature.

What is a “Good Soldier”

Ultimately, a “Good Soldier” is more than one who meets or exceeds all Army Standards, more than one who is where they are supposed to be, when they are supposed to be, in the proper uniform, and physically and mentally prepared to accomplish the mission at hand.

They are Soldiers who always do their duty—even when no one is watching. They adhere to the Army Values in and out of uniform—with or without Leader supervision.

If the Soldier is a Leader (NCO/Officer) they lead by example all the above and have the moral courage and professional obligation to enforce the standards of the profession.

Remember, the Army is a profession...more than a mere job. Through development progression, new members (PVT-PFC) (WO1/2LT) start at a lower level of expectation in the embodiment of the professional values. Over time through experience and counseling, junior members learn to Live and Be the standards of the profession—they buy-in to the values of the profession, thereby becoming professional Soldiers and members of the Team.

Through quality development counseling, we can tap into the potential of hard workers and lead them to grow into professionals. Use the MRCG to assist you in developing your subordinates. Grow adaptive leaders—Grow professional Soldiers.
