

Suspicious Activity Report

If safe to do so, use available photographic equipment (phone) to take photos to submit with report.

WHO (description of person(s) - clothes, height, weight, race, ethnicity, identifying marks (tattoos, etc.)

WHY (why did you think the actions were suspicious- discreet videotaping, inappropriate clothing, etc)

WHERE (provide address if possible or closest building number. Also include any critical assets/activity in close proximity- HQ, water plants, mass gathering facility, formations, etc.)

HOW (how could they be identified- unique uniform, company logo, bumper stickers (person or vehicle.)

WHEN (provide date and time of your observation)

WHAT (what equipment were they using during the activity- cell phone, parabolic microphone, notebook, video camera, crowbar, maps, range finder, measuring wheel, etc.)

Person Reporting (name, unit, phone number to be contacted)
