BSEP

Basic Skills Education Program

BSEP is the commanders' primary on-duty education program. We are here to serve you! The goals of BSEP:

- Promote retention
- Increase re-enlistment options
- Improve job performance

Because BSEP is a refresher course in both math and English, many soldiers take it to help them raise their GT score when taking the Armed Forces Classification Test (AFCT).

BSEP is a teacher-facilitated program with some online resources for learning enhancement.

To Enroll (no earlier than 2 months prior to class start date):

1. Go to A-Wing or J-Wing at the Education Center OR visit the Fort Bragg website (home.army.mil/bragg) for information on how to enroll and to get a sample DA Form 4187. Search "BSEP" and click "How to enroll" on the BSEP page.
2. Have your commander sign both forms (Request to Attend On-Duty Training and DA Form 4187).
3. Bring your signed enrollment form and DA 4187 to Room G121 as soon as possible **(BEFORE the class starts)** to hold your slot. You **must** attend the first day of class. No one will be accepted into the class after the first day of the cycle. We will try to accommodate walk-ins. **Please call us at 910-396-2351 or 910-396-6982** if you have any questions.

• Morning class reports at 0830 on the first day.
• Afternoon class reports at 1230 on the first day.
• Evening class reports at 1730 on the first day.
