

SKILLBRIDGE PROGRAM

WHAT DO WE DO

We teach revenue operations. Think the business side of tech. We then introduce you to our network of 40+ Companies.

HOW DOES IT WORK?

We accept candidates with 3 to 5 months remaining. Once you get the greenlight from your leadership, you start working in technology immediately.

WHAT KIND OF COMPANIES DO YOU WORK WITH?

We work with major software companies across the Nation to help you find roles in business development, customer success and beyond. These are the most sought after roles in tech and veterans are the perfect fit. This is a career field that secures a path towards a 6 figure income in 2 years time.
