USO TRANSITIONS

ON THE PATH FORWARD,
WE'VE GOT YOUR BACK.

Support from the USO doesn't end when you leave the military. USO Pathfinder helps you and your family create a plan for life after military service.

PATHFINDER SCOUTS ARE HERE TO HELP NAVIGATE THE PATH FORWARD

Pathfinder Scouts are experts in all things transition and they connect you to the services and resources in your community that will make your transition successful. Pathfinder Scouts provide connections to opportunities, organizations, services, workshops, seminars, resources and more in the following focus areas:

EMPLOYMENT

EDUCATION

VETERANS BENEFITS

FINANCIAL READINESS

FAMILY STRENGTH
AND WELLNESS

HOUSING

LEGAL

VOLUNTEERISM

CREATE YOUR ACTION PLAN

Pathfinder Scouts work one-on-one to create an Action Plan that is unique to you. Your Action Plan lays out your goals, identifies services and resources that fit your needs and establishes milestones for you to meet your goals.

Even after you've been connected to a resource, your Pathfinder Scout will continue to work with you to confirm that quality services were provided. If your goals and objectives shift during your transition process, your Pathfinder Scout shifts with you and makes sure you continue to get the resources you need.

SEAMLESS ACCESS

You can take your Action Plan with you wherever you go and connect with your Pathfinder Scout through the USO's mobile Action Plan app.

WE CAN HELP NO MATTER WHERE YOU ARE

Regardless of where you choose to call home, or whether or not you're near a transition center, the USO Pathfinder team can connect you to your new community.

THE USO PROVIDES SERVICES TO TRANSITIONING AND RECENTLY TRANSITIONED (12 MONTHS POST SEPARATION):

- Active Duty
- Reserve
- National Guard
- Military Spouses
- Dependents

**NO MATTER WHERE YOU CHOOSE
TO GO AFTER YOUR MILITARY
SERVICE, THE USO WILL MAKE IT
FEEL LIKE HOME.**
