

HEROES MAKE AMERICA

THE MANUFACTURING INSTITUTE

AMERICA'S MANUFACTURERS NEED YOU

Heroes MAKE America is The Manufacturing Institute's initiative to build a mutually beneficial pipeline between the military and manufacturing. When today's American heroes become tomorrow's manufacturing leaders, everyone wins.

Our signature program, a Department of Defense approved SkillBridge program, arms transitioning service members, National Guard and Reservists, veterans and eligible military spouses with the skills and certifications to find careers in manufacturing—and excel in them.

HEROES MAKE AMERICA PROGRAM HIGHLIGHTS

Heroes MAKE America, Ft. Bragg is an 8-week program offered in partnership with Fayetteville Technical Community College's Transition Tech Program.

- Certifications include: Certified Production Technician (CPT), OSHA 10 and Forklift Operation with essential manufacturing credentials: safety, quality, maintenance, manufacturing processes and production
