WHO WE HIRE

We hire people with customer service in their DNA - who think in terms of experiences rather than transactions, who want to contribute to the success of the company, and who measure themselves by the opportunity to gain a greater share of a customer's loyalty with each encounter. If you enjoy making something old new again and seeing the joy on a customer's face, come join our team!

CORE VALUES

Our core values are honesty, respect, fairness, accountability and environmental consciousness and we only hire those who align with our core values. These are not just words to us, but how we live – by the Golden Rule.

APPLY

To apply, send resume with 3 business references (supervisor or above) to Janis Stevens at the email below. Applications without resumes will not be considered. Drug test and background check required.
