

Launch your civilian career with a world leader in HVAC solutions

Trane Technologies and Orion Talent have partnered to launch the Trade Warriors™ program exclusively offered at Fort Bragg. This program will provide **FREE** training for transitioning service members, helping you jumpstart your career in the HVAC industry.

Why choose a career in HVAC?

Competitive Salary

HVAC Technicians earn an average salary of \$48,730 per year, according to the U.S. Department of Labor.

In-Demand Jobs

The HVAC industry is one of the fastest growing job markets and offers long-term job security for trained technicians.

What to expect from participating in the Trade Warriors™ program:

Trade Warriors™ provides a seamless transition into your civilian career, allowing you to earn active duty pay and benefits while you train to become a certified HVAC Technician.

TRAINING

- 8 weeks of hands-on training at the Trane Trade Warriors Learning Lab, located onsite at Fort Bragg
- This training program will allow you to earn EPA and NATE certifications

INTERVIEW & HIRE

- During the training program, you will interview with Trane dealers in a variety of locations nationwide
- Once you accept an offer, your start date will coincide with your separation date
