

Jumpmaster Pre-Test

Incoming Jumpmaster Student Information

Important:

Students wishing to attend the Jumpmaster Pre-Test must report to Building A-1917 Taylor Street NLT 900 hours on the designated training date.

Required Equipment:

ID Card, ID Tags, Harness Single Point Release, Hook-Pile Tape Lowering Line, MOLLE or ALICE pack.

Important:

Students will be tested on Nomenclature in a classroom setting.

Students who receive a passing grade of 70% or better will then conduct a Combat Equipment Riggex.

The Students must correctly rig their combat equipment in less than 15 minutes to receive a Go for training.

Upon successful completion of both tests, the student will receive a Pre-Test Slip which is good for 90 days from that day.

Any student that fails either of the tests will not be allowed to re-test that day. Those students can re-try at the next month's Pre-Test after receiving some training and studying.
