Find the Right Opportunity for You

Internship Check List:

- _____ The internship/training is **full time**—36-40 hours/week. Leave, passes, and DONSA's are not allowed while in the internship.
- _____ The opportunity advances your career goals and is likely to end in employment or is required for future employment/career advancement.
- _____ The internship host has a system in place to provide training, accountability, and supervision and will provide industry specific resume and interview assistance.
- _____ The internship provider agrees to check in with the Fort Bragg Career Skills Program office on the first day of the internship and every two weeks to provide a brief update on your progress.
- _____ The time requested is consistent with the level of training offered.
- _____ The requested start date is within your 180 day window from ETS/Retirement (exception MEB/IDES or CHAPTERS).
- _____ You are NOT related to the owner or someone in management in the same company/department and there are no conflicts of interest.
- _____ Travel and accommodations are the responsibility of the intern—you cannot use your Military travel card, you will not be entitled to additional BAH, you will not be reimbursed for travel expenses. *If you will not have access to a dining facility, you can request separate rations if you are on a meal card.
- _____ You have the necessary paperwork for approval from the CSP office (Participant Agreement, Soldier Participation Memo/IMCOM 45, and CSP Individual Internship).
- _____ You have scheduled your mandatory TAP classes to end before your internship starts.
- _____ There can be no cost to you for an internship/individual training.

***CSP AER grants are available to help with some expenses associated with participation in a CSP. Contact your CSP office for more details.**
