OUR MISSION

The mission of the Diversified Academy Career Skills Program is to provide training and employment opportunities to Veterans and their spouses. Our goal is to introduce, train, and provide transition assistance from military service to a role at Diversified. Veterans should be recognized for their service, and it would be an honor to have Veterans serve as members of the Diversified team.

“Military values of teamwork, selflessness, sacrifice and dedication closely mirror our core DNA at Diversified. We are proud to honor the service of our Veterans, to enable a successful transition from military to civilian life, and to provide opportunity in applying their skills and talents to building complex technology solutions across the globe.”

Fred D’Alessandro, CEO

Your values are our values: Service & Integrity. Meet a few of our successful service members.
