

*“We are proud to have been doing business the right way since 1925. If you’re wanting to join a well-established company that values its employees and works on innovative, difference-making projects, you’re in the right place.”*

– David A. Allsbrook, PE, Chairman of the Board and Chief Executive Officer

Volkert—a Top 100 design firm—is committed to delivering the future of infrastructure in three key areas of service:

**Design + Engineering**  
**Planning + Environmental**  
**Program + Construction Management**

We are currently searching for an experienced **CEI Inspector(s)** to support our **Carolinas** region located around Fayetteville, NC.

Are we the road to your future?

**What you’ll be doing:**

- Inspection for compliance with contract documents, standards, and specifications
- Testing of materials; review of plans; analysis of engineering-related data; and construction survey/layout.
- Keeping daily diaries on project operations, resolves daily constructability issues and trouble shoots problems to mitigate delays to contractor’s progress
- Monitors contractor's daily operations and performs and/or reviews test reports to ensure that all work and materials conform to specifications, plans and contractual provisions. Also monitors utility relocation efforts by inspecting and tracking relocation work
- Documenting pay records, performing construction calculation, and computer/iPad entry
- Anticipates contractual problems and advises supervisor of the need for plan revisions, supplemental agreements, or other contract adjustments to improve safety, timely delivery and/or quality of delivered product.
- Ensures compliance with NC Sedimentation and Pollution Control Act, and that all work performed in permitted areas, is done in accordance with the permits.
- Effectively communicates and coordinates work with contractors, subcontractors, utility owners, and property owners to minimize delays and disturbances while maximizing progress of the projects.

**What you need to have:**

- Associate degree in an applicable area within the STEM (Science, Technology, Engineering, Mathematics) curriculum or a related curriculum from an appropriately accredited institution
- 0-2 years of progressive inspection level experience or equivalent combination of education and experience
- Possess a valid driver's license
- Must be able to perform moderate physical activity including but not limited to walking, climbing, balancing, kneeling, and standing.
- Must be able to lift 50 lbs.
- Must be able to work nights and weekends as required
- Must apply safety philosophy and program to all operations.
- Safety toe shoes required

**Skills & Competencies:**

- Knowledge of survey crew techniques, duties, and responsibilities.
- Should be able to effectively communicate in a clear, concise, organized, and persuasive manner.
- Ability to work safely in an outside environment with exposure to hazards on construction sites including heights, highway traffic, and traversing rough terrain in evaluating highway construction.

- Experience maintaining standard daily records and reports.
- Knowledge and understanding of general concepts, practices, and theories used in construction, construction inspection, and /or construction surveying.
- Knowledge in understanding contracts, plans, standards, and specifications.
- Experience with contract administration.

To be a successful Volkert **CEI Inspector**, you must possess the following characteristics:

- Be a Brand Ambassador for the company who engages in diversity and inclusion
- Be self-motivated to meet individual goals and maintain accountability in a team environment
- Be able to multi-task in a team environment
- Exercise initiative and independent judgement in the solution of work problems
- Be able to communicate effectively--verbal and written

If you share our passion to serve clients, the public, our employees, constituents, and our profession, we invite you to apply!

**Point of contact to apply:** Please send your resume (include your name, phone number and email address) to Leah Taylor at [careers@volkert.com](mailto:careers@volkert.com) or apply directly to our website: <https://bit.ly/3ea3e0Z>

Volkert does not accept unsolicited resumes from headhunters, recruitment agencies or fee-based recruitment services.
