

Microsoft Software & Systems Academy (MSSA)

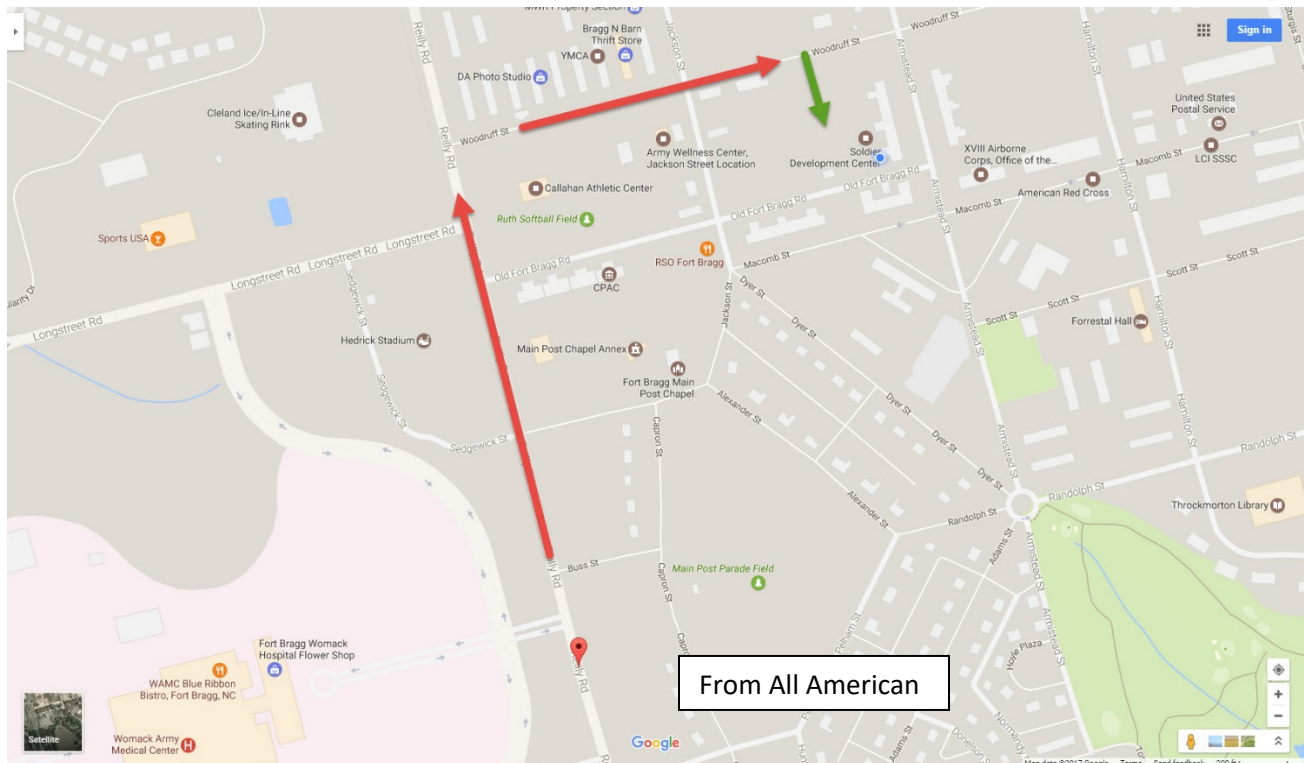

Career Skills Program (CSP)

Course consists of:

- An 18 week program (open to eligible Service Members within 180 days of separating or retiring from the military).
- MSSA helps active duty Soldiers develop the career skills necessary to meet the IT Industry's high demand for Cloud Developers, Server & Cloud Administrators and CyberSecurity Administrators.

Information Sessions

Held at 0930 every Friday (except Holidays and during December)
Soldier Development Center;
(Bldg 2-1728 Armistead Street, Room 301)
