

ARE YOU CLEANING UP AFTER YOUR PET?

Pet Waste and Storm Water Quality

Pet waste can:

- ◆ Enter streams and rivers during storms.
- ◆ Harm fish and degrade water quality.
- ◆ Transmit diseases to children.
- ◆ Make recreational water unsafe.

Tips for proper disposal:

- ◆ Flush it.
- ◆ Bury it.
- ◆ Trash it.

Keep the storm drains clean for those downstream

In Accordance with the Ft. Bragg Stormwater Discharge Permit:
