

FORT BRAGG VISITOR PASS REQUEST USING ONLINE PRE-REGISTRATION

By requesting a visitor pass, you are agreeing to a background check, which uses the National Crime Information Center Interstate Identification Index (NCIC-III), a Federal Bureau of Investigation database that provides criminal histories from all 50 states and the District of Columbia. Be aware that all individuals 18 and older in the vehicle are required to have a background check and pass all vetting requirements before being allowed to unescorted access to the installation.

Pass Request using online pre-registration:

- Visit [Here](#) (Microsoft Edge, Firefox, Google Chrome, and Safari browser recommended). Internet Explorer may be outdated on your PC.
- Complete all pre-registration requirements on the secure site, being sure to select "Reason for Visit" This process takes less than two minutes. If other installations are shown, please ensure you select the **correct installation**.
- Applicants should receive an SMS (text message) within minutes (and no later than 24 hours later) with notification on whether the request for a Fort Bragg Pass is approved.

Special Events may have online pre-registration links specific to that event. If you are coming for an event, it is recommended you use the Special Event Link and/or code for that event.

Applicants with approval replies will be able to use any open Access Control Point (ACP) with their driver's license or state identification allowing for bypassing the registration process at the All American Visitor Center. All commercial vehicles must enter the installation through the Knox Street Truck Plaza (ACP-8).

Approved visitors can also elect to pick up your paper visitor pass at the All American Visitor Control Center kiosk (open Sunday to Saturday 0500-2100 hours). If you elect to pick up your pass you will need the DL/ID that you used during pre-registration. Your pass will not be available for use/pick up until the start date requested. **Some Special Events may direct you to a specific gate for initial entry to the post.**

Please see the YouTube link below showing the kiosk process to retrieve your pass at a Visitor Control Center:
