

Welcome to the USASATMO Sponsorship Program!

Congratulations on your selection and assignment to the U.S. Army Security Assistance Training Management Organization (USASATMO) at Fort Bragg and/or an Army Security Assistance Team to execute OCONUS security cooperation missions that support the Army Security Assistance Enterprise.

Requesting a sponsor is one of the wisest pre-move decisions you will make during this important transition. If you haven't already done so, please complete the [Sponsorship Program Form \(DA Form 5434\)](#) in PDF and email it to usarmy.bragg.usasac.list.satmo-s1@mail.mil

Your request will be forwarded to your gaining Fort Bragg sponsor; if being assigned overseas, your Security Assistance Training (SAT) Manager/ Team Leader will assign a sponsor to assist you. Your sponsor will contact you via email (or letter) with information about Fort Bragg, or your Technical Assistance Field Team (TAFT), if being assigned overseas, and its surrounding communities. We highly encourage you to visit the [Fort Bragg Welcome Webpage](#) where you will find useful information pertaining to housing, schools, MWR and various other installation activities and opportunities.

We also highly encourage you to complete Sponsorship Training required by all Soldiers. This application is easy to use and very resourceful for your relocation: <https://apps.militaryonesource.mil/MOS/f?p=ESAT:WELCOME:723954464585001::::>

The USASATMO Sponsorship Program Manager can be reached at 910-432-5309 or via email at usarmy.bragg.usasac.list.satmo-s1@mail.mil .
