We would like to welcome you and your Family to Fort Bragg and to the United States Army Forces Command-United States Army Reserve Command (FORSCOM-USARC), Special Troops Battalion. You are joining a great Army team! As we continue to build on our established policies to make services better for you here at Fort Bragg, we would like you to know that we are a battalion which also services the two multi-star command headquarters, FORSCOM and USARC Headquarters and Headquarters Company, and the 44th Military History Detachment.

Proper in and out processing, medical readiness, maintaining physical fitness, and mandatory training are important to our command success. We are counting on your expertise and unique skills to reflect the quality and pride of our service and support we provide to our units. To facilitate your transition, please view the attached FORSCOM-USARC STB Welcome Guide. Additionally, you will also be contacted by a representative from your directorate who will assign you a sponsor to assist with in processing.
