

DROP-OFF APPOINTMENTS NOW AVAILABLE AT FORT BUCHANAN VETERINARY CLINIC!

Call 787-707-2038 to Schedule!

Everyone leads busy lives. Would you like your pet to visit the veterinarian while you are shopping at the Commissary, visiting the PX or enjoying one of Fort Buchanan's MWR facilities? We are pleased to offer our clients a drop-off service. Here's how it works...

Drop off your pet at the time that works best for you, and we'll take care of your pet like it was our own for the day! Usually we will ask you to drop off sometime in the morning, so the veterinarian can examine the patient at the time reserved for drop-off appointments.

When you arrive, one of our staff will greet you and assist you in completing a checklist of your concerns and obtain your contact information for the day. The veterinarian or technician will call you after we have completed a thorough physical examination and assessment of your pet. We will never perform any testing or treatments without giving you an estimate and getting your consent, therefore, it is essential that we be able to reach you by phone during the day.

You can arrange a time to pick up your pet before 4:00 pm. We will have prepared a written summary of our findings and recommendations for you, and your pet will be ready to join you for your journey home!

Drop-off Appointments available Tuesday-Friday.

*For puppies that have not completed their vaccine series,
