# STORYTELLING

The Storytelling Festival is normally done on the equinox, which is the first day of spring - when the hours of daylight equals the hours of night. AMS has been doing the storytelling festival for three years now. It is very fun to act in the storytelling festival or just to watch everything that is going on.

“That’s what  
**STORYTELLERS**  
do. We restore  
order with  
**IMAGINATION.**  
We instill **HOPE**  
again and again.”

Walt Disney in “Swing Mr. Banks”

“Storytelling  
is the  
most powerful  
way to  
put ideas  
into the  
world  
today.”

Robert McKee

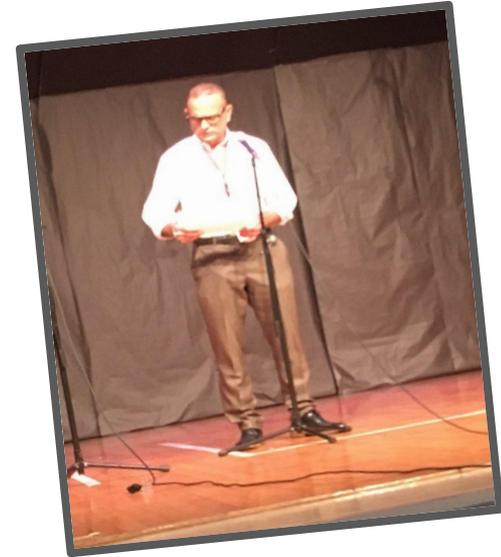

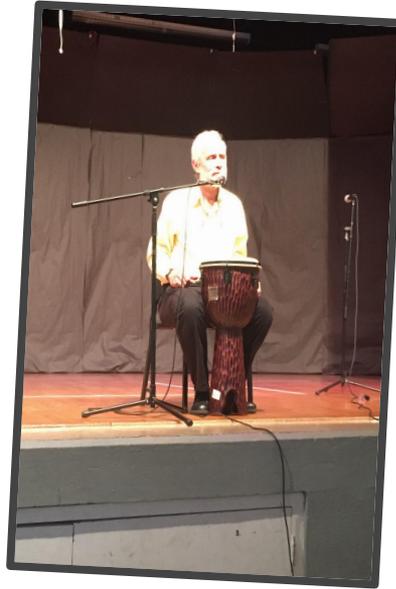

# EDUCATORS GET IN ON THE FUN!

AMS Superintendent, Dr. Sherwood shares a poem with the audience.

AMS Music Teacher, Mr. Ausbury entertains audience with a musical tale and a storytelling of Anansi and the Spider.

# DRAMA CLUB PRESENTS PERSEUS & MEDUSA

**SUMMARY:** Perseus and Medusa tells the tale of a young boy who travels far and wide on a quest in to bring Medusa's head back to the King. Medusa had the power to turn anyone to stone. The quest was long and hard but with the help of the gods Athena and Hermes Perseus was able to capture Medusa's head, turn the evil king to stone, and rescue his mother from a life of slavery under the king.

# Original Pieces

Jade Melendez; 8th Grade Student

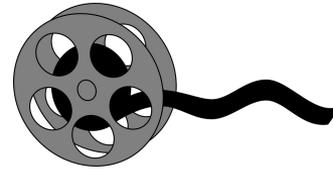

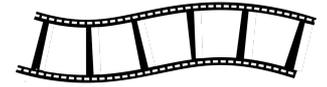

Adriana Rodriguez; 8th Grade Student

Jade Melendez and Adriana Rodriguez wrote and presented their own monologues. Adriana wrote a tender monologue that paid tribute to her mom. Jade wrote "This is not a Competition" which was a beautiful piece on friendships and the danger that comes when friends compete with friends.

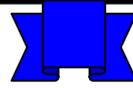

Three AMS students braved the stage on March 21. They worked hard for 3 weeks straight to memorize their lines. This group of students chose to entertain the audience with scenes from movies. The audience then had an opportunity to make a guess. The Audience got A's and the actors A+ for performance and fun!

Grace Angell, Johanna Angell, Julian Fuentes, Sofia Altamirano, Elena Ortiz, Aulanis Rodriguez, and Mia Rojas

Did you know that Baker's Dozen means  
13?

This performance explains how a  
baker's dozen came to mean 13!
