PESTICIDES, HERBICIDES, RODENTICIDES, FERTILIZERS

POSSIBLE AREAS OF CONCERN

These items are designed to kill various pests. You should comply with label guidelines and SDS for use. Be cautious when using non-American sources for Field Sanitation Team (FST)-related items and pesticides because they do not have to comply with manufacturing standards.

CHARACTERIZATION

Some pesticides and pesticide containers should be managed as **hazardous wastes**. Contact PPOC Hazardous Waste personnel for guidance.

CONTAINER MARKING AND HANDLING PROCEDURES

Step 1 Maintain product marking, labeling and identification on containers and SDS.

Step 2 Inventory items that have expired shelf lives or are no longer needed. Contact **PPOC Hazwaste Pick up.**

Step 3 Military Field Sanitation items not needed by the unit, but still serviceable, should be returned to PPOC Services for disposition.

Pesticides, herbicides and rodenticides may be managed as hazardous waste.

GENERAL INFORMATION

Restricted use pesticides require trained and certified applicators and storage issues. Purchase of pesticides using Government Credit Card (GPC) is restricted only to certified applicator use. All pesticide usage must be recorded and submitted to **Installation Pest Management Coordinator**.
