The background of the image is a close-up, slightly blurred view of the United States flag. The stars and stripes are visible, with the blue field of stars on the left and the red and white stripes on the right. The flag appears to be waving or draped.

**"I pledge allegiance to the flag
of the United States of America
and to the republic for which it

✓ Fall Sports

For fall 2021, FCHS students will be able to participate and compete in cross country, cheerleading, football, golf, soccer and volleyball. In order to participate in any sport, students will need a KHSAA Sports Physical completed and turned in to the front office of the High School.

Conditioning/Practice will start after the dead period which is 12 July. If students would like to sign up please have them reach out to myself directly at Robert.Townsend@Dodea.edu so I can point them in the right direction. This decision is based on current health trends; DoDEA will continue to monitor the latest COVID data and health protection conditions – or HPCONS.
