◆ **Ongoing COVID-19 Updates**

The current visitor's policy remains in effect. Guests accompanying patients continues to be limited to required medical support individuals only. The outpatient visitor's policy allows a guest to accompany a patient who requires supervision during outpatient visits. The current inpatient visitor's policy also remains in effect with only one visitor authorized in an inpatient room and during the patient's entire hospital stay. Facemasks are required when entering the hospital. Some exceptions may apply, including very young children and certain medical conditions

◆ **BACH expands COVID Vaccine to 12 and older**

Blanchfield Army Community Hospital expanded COVID-19 vaccination to all TRICARE eligible beneficiaries age 12 and older. COVID-19 vaccinations are available by appointment only at the Fort Campbell Passenger Processing Center located at 7162 Hedgerow Rd.

Schedule using the link on the hospital's webpage at <http://blanchfield.tricare.mil>. COVID-19 vaccine appointments are not scheduled through the hospital's telephone appointment line, so beneficiaries must use the link on the hospital's website to schedule a COVID-19 vaccine. Walk-in appointments are not authorized.

Patients may call the hospital's COVID-Triage line at **270-798-4677 (HOSP) or 931-431-4677, option 2**. After hours, beneficiaries may utilize TOL or call the MHS Nurse Advice Line at **1-800-TRICARE (874-2273)**. Nursing staff who support the NAL phone lines can assist beneficiaries with non-life threatening medical concerns and provide further guidance. Beneficiaries experiencing a medical emergency, such a severe shortness of breath or difficulty breathing should call **911**.

◆ **Summer safety**

Ticks – If you are bitten by a tick, be wary of circular rashes and flu-like symptoms that include fever, headache, and fatigue, as those may be indications of tick-borne illnesses that may require medical attention. For more information, contact BACH's Environmental Health Team at **270-412-3979**.

◆ **Mosquitoes - Avoid Getting Bitten**

Keep mosquitoes away from exposed skin by wearing long-sleeved shirts, long pants, and socks. Tuck shirts into pants & pants into socks to cover gaps in your clothing. Use EPA-registered mosquito repellents when necessary. Follow label directions/precautions closely.

◆ **Sunscreen**

Put on broad spectrum sunscreen with at least SPF 15 before you go outside, even on slightly cloudy or cool days. Repeat after being in the sun for 2 hours, or swimming or sweating.

◆ Properly dispose of your expired, unused or unwanted medicine by dropping them in the Drug Drop Boxes placed inside the hospital's Main Pharmacy or Town Center Pharmacy during business hours.

◆ If you need to make or cancel an appointment at any of the Soldier or Patient-Centered Medical Homes, you may go online at www.tricareonline.com or you may call **270-798-4677 931-431-4677** or if outside the calling area **1-866-524-4677**

Appointments can be made from **0600am-1630pm Mon-Fri**
 Appointments can be cancelled 24 hours a day, seven days a week by leaving a voicemail message. Advice nurses may be reached by calling the appointment line.

◆ TRICARE® Online Patient Portal Secure Messaging Services allow patients to schedule web visits with their primary care manager, book appointments, request and review lab and test results, email your care team a question, request medication refills, or request a referral at www.TOLSecureMessaging.com To register for online services, visit your care team administrator.
