Spiritual Readiness

From its birth our national heritage has been firmly founded on religious freedom. In fact, the existence and support for freedom of religion is guaranteed in the First Amendment to our Constitution — and the presence of Chaplains in the ranks of the military since 1775 is a testimony to the central role faith has, is, and will continue to play in helping Soldiers and their Families deal with the deepest needs of their lives and the challenges of military service.

"Up-Armor" yourself by going deep spiritually and taking advantage of all Fort Campbell has to offer to you through its religious support programs!

"The Soldier's heart,
The Soldier's spirit,
The Soldier's soul are everything.
Unless the Soldier's soul sustains him, he cannot be relied upon and will fail himself, his commander, and his country in the end."

General Of The Army, George Marshall
