

DEPARTMENT OF THE ARMY
HEADQUARTERS, 101ST COMBAT AVIATION BRIGADE
101ST AIRBORNE DIVISION (AIR ASSAULT)
FORT CAMPBELL, KY 42223

Greetings and Welcome to 101st Combat Aviation Brigade!

We are excited to welcome you to the Army's premiere aviation brigade supporting the world's only Air Assault Division. We have a long history of service to our Nation dating back to 1968 when the unit was originally designated as an Aviation Group. Our Brigade proudly supported the early development of the Air Mobile mission in the jungles of Vietnam that has transformed into our Division's Air Assault mission today. Since Vietnam, our Brigade legacy is characterized by service in nearly every conflict, most recently in the Global War on Terror with two deployments to Iraq and five deployments to Afghanistan. "Wings of Destiny" Soldiers continue that legacy today and look forward to our next "Rendezvous with Destiny!"

Today, we are on the cutting edge of readiness and stand ready to answer the Nation's call as the most lethal aviation brigade in the US Army. We are building heavy lift capacity and leading the Army as the first through several modernization efforts. Our leaders and experts are innovating and testing solutions that bridge capability gaps and inform the enterprise as we train for Large Scale Combat and Multi-Domain Operations. As we transform and develop, we train side-by-side with the Brigade Combat Teams and support units of the 101st Airborne Division. Our Soldiers are *trained, fit, disciplined, and cohesive*.

We look forward to integrating you and your Family into the Destiny team and the Fort Campbell area. Please reach out to your sponsor for more information regarding the local area, installation services, and what to expect for in-processing with Kalsu Replacement Company. If you are interested, our Brigade T-Shirts are on the shelves with *D&D Companies Inc.* on Fort Campbell Blvd.
