28 Mar 22 Report Cards Go Home

DODEA is always looking for substitutes to work in our schools! If you are interested, please apply through USAjobs.gov. Search for "dodea" and then scroll until you come across "Teacher (Substitute)/Training Instructor (Substitute)" and apply!

Winter Sports Schedule:

3-Feb	6:00pm	9:00pm	V Boys/Girls BB	vs UHA	FCHS Gym
11-Feb	5:30pm	8:00pm	JV/V Girls BB	vs Victory Baptist	FCHS Gym
12-Feb	6:00pm	9:00pm	V Boys/Girls BB	vs Fulton County	FCHS Gym

High School sports for the spring are fully approved and moving forward.

COVID Team Effort:

We need the support of all families to pre-screen students every single day. This is the #1 way we can reduce quarantines and school closures of any kind. Keep your students' home if:

1. They have symptoms of any kind, to include "allergies" or "sinus" symptoms.
2. They are awaiting a test for COVID
3. They are a close contact with anyone with COVID or someone who has notable COVID symptoms and is awaiting a test

Please help our schools by following these guidelines every day! If you have any questions or concerns, please contact your school, and speak to the nurse before sending your child to school. We can do this together!

Fort Campbell Spouses' Club

president@fortcampbellspousesclub.org

- 5th Mock Dining In for all spouses of Fort Campbell **on Saturday, 12 February 2022**, at the Wilma Rudolph Event Center in Clarksville, TN. Spouses can spend the evening with their respective unit or group having a fun themed evening and dancing the night away. www.facebook.com/BACH.Fort.Campbell

Upcoming Events

Facebook Live Town Hall

Join us Tuesday, Feb. 9, 2022 at 6 p.m. for a Facebook Live Town Hall on the U.S. Army Fort Campbell Facebook page. Blanchfield Army Community Hospital Commander Col. Vincent B. Myers will join 101st Airborne Division (Air Assault) Commanding General Maj. Gen. J.P. McGee, Command Sgt. Maj. Veronica Knapp and Fort Campbell Garrison Commander Col. Andrew Jordan to provide members of the community the latest updates and answer questions.

Holiday Schedule

In recognition of the upcoming President's Day holiday, BACH personnel will observe the federal holiday Monday, Feb. 21. Therefore, all primary and specialty care services and pharmacies will be closed. The Emergency Center, inpatient services, as well as supportive supplementary services will remain open to provide inpatient, acute and emergency medical care.

Blood Drives

There is always a great need for blood donations, but now more than ever as our nation experiences a critically low blood supply the need is now a greater-than-ever.

Armed Services Blood Program

January was National Blood Donor Month and the Armed Services Blood Program is making a call to action to all eligible blood donors within the military community to donate as this year's awareness campaign runs through February. The Armed Services Blood Program is the official blood collection, manufacturing and transfusion program for the U.S. military and the provider of blood and blood products to the U.S. armed forces. A team will host a drive at Fort Campbell's Soldier Support Center in March. More information will be shared soon.

American Red Cross

The American Red Cross blood mobile will be at Blanchfield Army Community Hospital Feb. 4 and Feb. 28. Schedule an appointment at <https://www.redcrossblood.org/give.html/drive-results?zipSponsor=42223>. In addition, the American Red Cross is also planning to sponsor a larger blood drive in Blanchfield's A Building, March 22. More information will be shared about this event soon.

COVID-19 Testing

After the holidays, we experienced an increased demand for COVID-19 testing, increasing the time it took beneficiaries to receive an appointment for a COVID test. Offering drive thru testing without appointments helped meet the demand. Once the demand decreases, scheduling COVID testing appointments will be available again. We appreciate your patience as the increased demand resulted in longer wait times at the test site. Our care teams are working as efficiently as possible to support beneficiaries going through the test site.

In the event you require a COVID-19 test, the fastest way to check your COVID-19 test results is through the TRICARE Online Patient Portal. If you signed up to receive TRICARE text messaging or emails, you will be notified as soon as your results are entered by the lab. Simply login to TRICAREOnline.com and select the health records tab. Results are listed under the lab test name: SARS-CoV-2.

If your results are positive for COVID-19, stay home and isolate from others in your home. Wear a well-fitted mask if you must be around others in your home. Service members should notify their chain of command.

Treatment of symptoms is similar to that of other viral illnesses. Over the counter medications can aid in reducing these symptoms while awaiting a follow-up phone call from BACH staff. Patients experiencing significant shortness of breath should seek emergency care or call 911.

Please follow Blanchfield's website and social media pages for more updates.

Health and Wellness

American Heart Month

February is nationally recognized as American Heart Month, a time for the Department of Defense community to show its love for healthy living. Follow BACH's social media for health messages about reducing the risk of heart disease and recognizing the warning signs. Cardiovascular disease (CVD) — including heart disease, stroke, and high blood pressure — is the number one killer of men and women in the United States.

MHS Nurse Advice Line Beneficiary Portal

The Nurse Advice Line provides health care support to TRICARE beneficiaries 24/7. The Nurse Advice Line provides support to TRICARE beneficiaries at no cost to you. The team assists you in navigating your Family's health care needs. Some of the services provided include:

- Health Care Advice
- Answers to Urgent Care Questions
- Assistance locating a Provider or Pharmacy
- Same and next-day appointment scheduling at military hospitals and clinics

Nurses who specialize in Pediatric, Behavioral Health and Obstetric care are available to support your Family's needs. To support your continuity of care, we'll check back in on you and your Family to ensure you're still confident in the nurse's recommended care plan.

Remember, if you have an emergency, call 911 or your local emergency service center. Visit the portal at <https://www.mhsnurseadvice.com/home> or call 1-800-874-2273.

BACH General Information

Prescription and Over-the-Counter Drug Disposal

Properly dispose of your expired, unused or unwanted medicine by dropping them in the Drug Drop Boxes placed inside the hospital's Main Pharmacy or Town Center Pharmacy during business hours. Accepted items include: prescription medications, controlled substance medication, over-the-counter medication, vitamins, medicated ointment/lotion, liquid medication in leak-proof containers and transdermal skin patches. *Items not accepted include: needles, thermometers, contraband drugs, infectious waste/medical waste, personal care products, business waste, hydrogen peroxide, aerosol cans, and inhalers.*

How do I schedule/cancel appointments?

If you need to make or cancel an appointment at any of the Soldier or Patient-Centered Medical Homes, you may go online at www.tricareonline.com or you may call 270-798-4677/ 931-431-4677 or if outside the calling area 1-866-524-4677. See the complete listing of Soldier and Patient-Centered Medical Homes below.

- Appointments can be made from 6 a.m. – 4:30 p.m., Monday - Friday.
- Appointments can be cancelled 24 hours a day, seven days a week by leaving a voicemail message.
- Advice nurses may be reached by calling the appointment line
- You can also schedule and cancel appointments online at www.tricareonline.com.

COVID-19 Worldwide Supply Chain Impacts

- ✓ COVID-19 continues to affect worldwide activities, which has impacted DeCA's ability to provide an uninterrupted grocery benefit to our 236 commissaries.
- ✓ Manufacturer cuts, ship delays, port congestion, labor, driver and raw material shortages have all affected stock levels in our Distribution Centers, which have led to product delays and longer than expected periods of product unavailability.
- ✓ These interruptions are unpredictable and affect dry shelf-stable, frozen and chill products. Our greatest impact is to our chill products, which are date sensitive.
- ✓ These chill products include alternative milks (lactose free, almond), cheese, lunch meat, breakfast meats, sour cream, cream cheese, non-dairy creamers, canned biscuits, butter, margarine and yogurt (this excludes any chill items your commissary may get from local sources, i.e. milk and eggs).
- ✓ DeCA is doing everything possible to push manufactures to prioritize product to our commissaries and find alternative product sources when products become unavailable.
- ✓ DeCA remains committed to providing a world-class grocery benefit to our valued military communities and we appreciate your patience and understanding as we continue to work through these trying and often uncertain times.

Proud, Committed and More.

Now through 17 February 2022, applications are open for the

Scholarships for Military Children Program

for academic year 2022-2023.
