

Volunteer Management Information System (VMIS)

Fort Campbell tracks volunteers through VMIS on www.armyfamilywebportal.com. This system provides tools to manage volunteerism in your military community. VMIS provides online recruitment, storage of volunteer records (hours, positions, awards, training), roll-up of volunteer hours, and easy and efficient communication with volunteers and volunteer managers.

VMIS Volunteer Training

Designed for the volunteer to help navigate the online system, apply for positions and logs hours.
